DEER CROSSING? Kevin Burns, 16, of Edwardsville, was driving his pick-up truck east-bound on Johnson Road Thursday when a deer jumped into his path, damaging the grill and radiator of his truck, shown in insert. The

accident occurred about 200 feet east of Terrace Lane. The deer was killed by the impact. Neither Burns or a passenger in his truck were injured. The truck had to be towed from the scene.

Increase in bus fare defeated

Bi-State Transit System bus fares will remain 50 cents for the time being, but a new effort to boost them to 60 cents is expected to be made this fall.

An \$857,000 increase proposal for the 1981-82 year lost Friday when there was a 2-2 split among Missouri commissioners on the Bi-State Development Agency board.

Illinois commissioners supported the fare hike 3-1, but actions are limited to those receiving majority support from both states. There are five from each state on the board.

The basic fare would have risen a

dime, with express fares rising a nickel, from 75 to 80 cents, as of Aug. 24. Instead, neither will change.

Anticipating approval of higher fares, Bi-State budget analysts had included revenue from the proposal in the bus system's \$81 million budget.

Those opposed to the increase were Roy J. May of Waterloo, Ora Lee Malone of St. Louis and Dempster K. Holland of Webster Groves. The latter commented, "It's time to stop hurting the little guy" in determining basic living costs.

Supporting the plan were Carl

Mathias of Granite City, Robert Schrimpf of Alton, James Nations of Fairview Heights, Cassell Williams of Normandy and Guy Jaffe of St. Louis. Absent were Arthur Adams of East St.

Industry offers to help city balance its budget

By GARY SCHNEIDER
of the Press-Record

When it was intended to be a group of city officials and citizens who were to visit local industries to discuss possible excess taxation, it was called a "Blue Ribbon Committee."

When it was intended to be a group of industrial experts visiting the city to determine ways to avoid unpleasant taxes, it is being called a "Task Force."

Whatever name it is called, both the city and local industry would like to form a group of some sort to study the city's financial situation and determine how Granite City can balance its budget without imposing taxes which will have a serious financial impact on industry.

While budget considerations were still underway and Mayor Paul Schuler predicted that a utility tax may be the

only way to keep the city solvent this fiscal year, the aldermen suggested creation of a blue ribbon committee to visit local industries and find out what type of taxation would have the least financial impact on the industries.

That committee was never formed. When Mayor Schuler went on vacation, Alderman Paul Ray Bowler, chairman of the council's finance committee, took it on himself to visit the five largest industries and gather their views on a proposed utility tax.

He brought back the strong message that industry did not want such a tax; that it would harm their competitive position, and that some might consider closing and moving if a utility tax was imposed.

He said all the industries expressed a strong desire to aid the city in any way

possible in solving its financial problems without having a utility tax imposed.

Bowler came under some criticism by other aldermen, who said he was not authorized to make such visits, but should have waited until the proposed blue ribbon committee was formed.

The issue was dropped and the budget was formulated. However, just before the budget was passed Tuesday night, Terrence M. Seabolt, vice-president of industrial relations for Granite City Steel, submitted a letter to the council reminding the aldermen that the steel company would like to help the city avoid imposing a utility tax and suggesting that a task force be formed by Granite City Steel to help the city.

He said it could contain experts in

Rail relocation plan okayed

Governor James R. Thompson announced Friday that two major hurdles for the Metro Area Rail Gateway Enterprise (MARGE) project have been cleared.

The Federal Railroad Administration has approved the project's draft environmental study, and Congressional conferees have listed the MARGE program as one of the nation's highest priority rail projects.

Goal of the rail yard changes is to speed the shipment of freight to and through this community and region.

Thompson said the state has been notified by Federal Railroad Administrator Robert W. Blanchette of the approval of the draft environmental impact statement (EIS).

Federal funding is dependent on approval of the final EIS and sub-

sequent approval of the construction plans. The federal government has required an in-depth study of the social, economic and environmental impact of the proposed \$500 million rail yard restructuring.

"An equally important action," Thompson said, "was that of the members of Congress who — in reconciling the federal budget — reaffirmed support for the \$110 million in preference share financing for rail rehabilitation work."

"The conferees also designated the MARGE work as a priority project for funding."

"The Congressional action was a key step, but an appropriation by Congress is still required, as well as approval by the Reagan administration."

"Senators Charles Percy and Alan

Dixon and Congressmen Edward Madigan and Melvin Price, as well as Missouri Senators Thomas Eagleton and John Danforth and Congressman Robert Young, have played an important role in preserving the funds vital for rail rehabilitation."

"This has been a cooperative effort by officials from both Illinois and Missouri, the 16 railroads comprising the private sector, and the state and federal government."

"Prior to this effort, the consolidation of railroad yards had been stalled for a decade. But now the project is moving."

"The restructuring and consolidation of rail yards in this metropolitan area will play a major role in improving rail freight operations and will free up significant amounts of prime riverfront land for development," the governor commented.

"The rail yard improvements will once again restore the St. Louis gateway as one of the pre-eminent rail facilities in the nation. That means jobs and an improved economic climate."

"The riverfront land freed through consolidation of yards will allow communities to restore and enhance the Illinois side of the Mississippi River," Thompson said.

Approval of the draft EIS allows the project to go to a public hearing for development of the final statement.

This phase is expected to require no more than six months. Once this work is completed and approved, application can be made for funding the first phases of construction.

The restructuring is to be financed through a mixture of federal preference shares and other public and private financing yet to be determined.

Federal preference shares are, in effect, a low-cost loan made by the U.S. Government, financed by the railroads' sale of preferred stock to the government.

The railroads then redeem the shares during the next 30 years.

Describing it as a massive project to relocate and modernize the St. Louis area's rail facilities, Sen Danforth said it is "a step closer to reality" because of the funding action by Senate and House budget conferees.

Under the budget agreement, he said,

(Continued on Page 4)

Venice board appoints Glasper as treasurer

Wilbert Glasper, a five-year member of the Venice Board of Education, has been appointed Venice School District treasurer.

Glasper, 31, will serve in the position without pay.

The appointment was made last week by the school board.

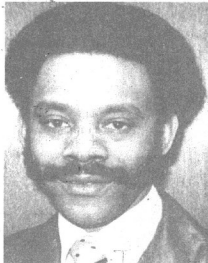

He succeeds the late Donald D. Phillips, who held the treasurer's post for 19 years.

Mr. Phillips, 70, died July 15 at home. He was not a member of the Venice School Board, but had been appointed treasurer on an annual basis since July 1, 1962, and had received a \$185.50 monthly fee.

Glasper has served as board secretary on two occasions since he was first named to the school board in November 1976.

He is an electrician and a member of the International Brotherhood of Electrical Workers Local 309, American Federation of Musicians, St. Louis Local 2-197, Madison County Urban League, Cannonite Royal Arch Masons Chapter 5 and New Hope Lodge 22 of Madison.

Glasper and his wife, Gusie, are the parents of a daughter, Tisha, and a son, Wilbert Jr. The family lives at 517 Fillmore Ave., Venice.

WILBERT GLASPER
Board Treasurer

The new school district treasurer is a 1969 graduate of Madison High School and attended Southern Illinois University at Edwardsville for three years.

GC Fire Department is honored by County Firemen's Association

The Madison County Firemen's Association has selected the Granite City Fire Department as its Fire Department of the Month.

A history of the development and its equipment is included in the MCF's regular publication, which is sent to all members.

Following is that history.

Granite City was incorporated as a city on March 9, 1896. The population at this time was 992. A volunteer fire department was established and the only equipment available at this time was a man-powered hose cart. The man responsible for forming the volunteer fire department was Fred Stogelmeyer, who would also be the first chief and would remain so for 15 of his 25 years as a member of the department.

Historical data available indicates that the first large fire was at the Continental Wire Works and the Drummond Box Factory (American Steel Co.). At this time the volunteer

firemen received \$1 a piece for answering alarms, regardless of the time required to put out fires, five minutes or five hours.

By 1920, the city became quite diversified, as heavy and light industry flourished and expanded so did residential and commercial building. The railroads and trucking industry also began more active as the community grew.

In 1921, the volunteer fire department was abolished as all volunteer and became part-paid and part volunteer, the total complement at this time consisted of 10 volunteers and six paid men. The city by now had adopted civil service for firemen.

In 1922, the volunteers were totally abolished. A new station, apart from the one located at 19th and State streets, was constructed on the west side of town at Cayuga Street and Rock Road. This station was badly needed for fire protection due to the many delays and stoppages by

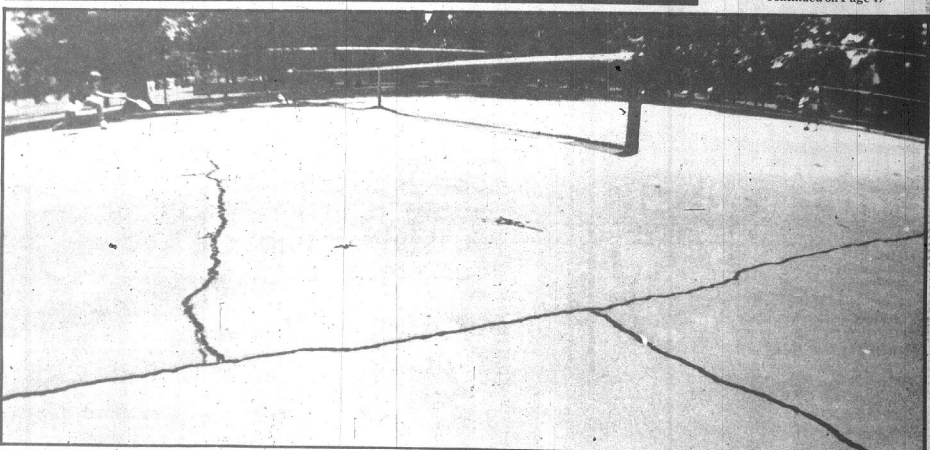

trains at three railroad crossings.

During 1923, the first mechanized equipment was purchased. The city fathers voted to buy two American-LaFrance 500 GPM pumpers. The latter part of the year also saw delivery of a new service truck.

Some interesting aspects discovered while researching the evolution of the fire department consisted of such things as: In 1939 the city's firemen, with the exception of Chicago, were the highest paid in the state of Illinois. All building permits were issued through the fire department. By 1941, there were 15 full-time firemen. The population grew to 29,000, industries were geared to full-time war production.

This brought even more people into the community. There was a service housing shortage and this brought about the first federally-subsidized housing projects. During the war years, the Corps of

(Continued on Page 4)

IT'S NOT AN EARTHQUAKE, but the four tennis courts in Wilson Park, resurfaced last fall, have been plagued with numerous cracks which are still widening. The park district has contacted C. D. Peters Construction Co., general contractors for the

resurfacing project, about the problem and went on record as finding the work unacceptable. The district's engineer is to examine the cracks and make a recommendation as to what course of action to take for repair of the courts.

AT EASE. City budget cuts threatened last week to keep some of these Granite City police cars unused as the number of officers and dispatchers was decreased by eight. Subsequently, two of the uniformed officers were

recalled to duty by city council action this week. However, there are no funds in the budget for new police cars, so these will have to keep running, at least for one more year.

Debate salaries of GC secretaries

Granite City may have a difficult time keeping good employees if their wages remain frozen for long, was the warning heard by the city council last week as it studied discrepancies in salaries for secretaries.

"In January of this year, we lost one employee because she found a higher paying job. She was such a key employee that most, if not all, of the problems we have at this time in part were caused by loss of this lady's knowledge and experience," Mayor Paul Schuler told the council.

He did not name the employee, but indicated that she was a former employee of the treasurer's office who helped keep the city books balanced and informed the city officials of the current financial situation. He also said she was not replaced when she quit. "An awful lot of problems were caused by an employee leaving to take a higher paying job," he concluded.

The issue of secretaries' salaries was brought up by a written complaint from two secretaries in the city clerk's and city treasurer's offices who noted that a secretary transferred by the city earlier this month from the manpower payroll to the city payroll for ambulance billing was making more than they were, even though they have worked for the city for years.

City Clerk Robert W. Stevens noted that the two secretaries who wrote the letter earn \$923 a month while the ambulance billing secretary was started at \$889 a month.

Schuler said he tried to keep the salary of the ambulance billing secretary close to what she was earning when doing the same job on the manpower payroll. "It's very difficult to ask her to take a cut in pay for the job that she has been doing."

"She had experience and probably was the only person who could continue in that job without any interruptions," Schuler explained. He also noted that she now falls under the city's rule prohibiting her from receiving a raise until she has been on the city's payroll for one year.

Stevens said the two secretaries who are ob-

jecting to her pay are "long-time employees and good workers who feel they were passed in the rate schedule."

Schuler contended, "I don't think that just because these two ladies and others weren't given merit raises along the way, that is no reason this woman shouldn't receive this salary."

Alderman Paul Fisk said he believes the ambulance billing clerk was started on the city payroll at the highest rate of pay allowed in the latest study of salary levels and job descriptions. Schuler said he did not know if that was true.

Alderman Fred "Pat" Schuman said he does not believe such discrepancies in salaries should occur in the city, adding, "That's the reason we had the study done. Something like this hurts morale."

Alderman Mike Modrusic said he thinks the billing clerk's secretary "should be put back to zero until the council decides her salary."

The aldermen then agreed to refer the matter to the council's city hall committee for study and a recommendation.

'Workfare' brings jobs, saves money

A Department of Public Aid test program to find jobs for general assistance recipients has resulted in a saving of \$183,000 from the monthly welfare rolls, Governor James Thompson announced last week.

He said the General Assistance Workfare pilot project "assists recipients in finding private sector jobs as quickly as possible."

"When that is not possible, it provides valuable work experience leading to private sector employment. As an added benefit, the program brings services to the community which otherwise would be unavailable."

Initiated in January, it will complement the Department of Public Aid's continuing effort to help general assistance recipients find employment. Most recipients are single adults males, the governor said.

General assistance recipients involved in the project are initially enrolled in a 60-day job placement cycle which assesses employment potential and develops job plans for individual clients.

Attempts are made during the 60-day period to place clients in jobs with private industry. Clients not finding jobs in the private sector after 60 days are given work assignments with participating not-for-profit and public agencies. There, the individuals work up to 40 hours a month, depending on their assistance grant amounts.

The sponsoring agencies do not pay the individuals for time worked, but the clients receive their monthly grants during participation in the program. The minimum wage scale is used to calculate the number of hours worked.

AREA CONSERVATION TILLAGE TOUR SLATED

The Madison County Soil and Water Conservation District will sponsor a conservation tillage tour on Aug. 14, leaving the U.S. Department of Agriculture building on Old Alton Road, Edwardsville, at 1 p.m. and returning by 5 p.m. Stops on the tour will include: no-till corn in clover, no-till beans in corn stalks, minimum tillage in corn stalks, and a no-till planter.

Reservations are to be made by Aug. 7, so that transportation arrangements can be made, the numbers are 656-4710 or 656-5166.

Jamboree adventures enjoyed by Boy Scouts

By JACK TAYLOR JR.

and
BRIAN FORBES

Jamboree Troop 363

Cahokia Mounds Council

SPECIAL TO PRESS-

RECORD: Reporting from

the gymnasium at the 130th

Tactical Airlift Group from

W. Va.

We spent the night on a

cement floor in the gym.

Okaw Valley from Belleville

stayed with us.

We arrived at the gym

about 4:30 p.m., we took hot

showers after playing a little

basketball. Okaw Valley

about 12:00 midnight

on the old school bus.

The leaders spent a cold night in

the air conditioned office

while the boys spent the

night in a 60 degree gym.

We had no trouble with

mosquitoes.

Sgt. Lance Powers, the

Scouting liaison, greeted us

at the gym after about an

hour wait at the gate. He had

forgotten about us and gone

to bed. He gave the leaders a

necktie slide shaped like

a tooth. He had sent this idea

into Boys Life in 1958 and

still has the \$1 check framed

on his home wall.

Before we arrived at the

gym we toured the

Charleston Historical ar-

chives. The guard, our tour

guide, was rather swift on

his feet and really rushed us

through the building. I am

sure that he had seen the

museum many times before

and he thought that we could

take all of this information in

a short time. We wanted to

stay longer but we just didn't

have the time.

We ate lunch on Friday the

24th at 1:40 in Louisville at

McDonald's and the leaders

ate free. We arrived in

Charleston at 6:55 and ate

the Shoney's Big Boy.

This morning our boys

arrived late to pick us up at

the gym. The driver slept at

a motel and was a late

sleeper. Okaw Valley ate at

Bob Evans. We ate just as

they were leaving so it

worked out ok.

If you are wondering why I

changed ink, it's because I

am on a bus high in the

mountains and my ink

marker exploded on me. We

have just made a side trip to

the New River Gorge Bridge,

which is the world's longest

steel arch span.

We are headed for Mon-

tecello.

We have just left Mon-

tecello. It is 7 p.m. We

arrived at Montecello at

4:30. We had a one hour and

20 minute wait, because of

visiting jamboree troops.

We are about two and one-

half hours behind schedule.

We lost 45 minutes at the

130th Tactical Airlift Group.

45 minutes at the New River

Gorge Bridge, and one and

one-half hours at Montecello.

We have been playing a

game with the Okaw Valley

group. They have a small

school bus loaded down with

36 boys and four adults. We

have the same, but a large

air conditioned bus.

We kept passing them even

though we take long

touring stops and they are

driving straight through. We

passed them 20 miles outside

of Belleville.

They were four hours late

getting to 130 Tactical. They

got a 1 hour start on us

leaving and we passed them

again in Rainsville or about 25

miles from our 45-minute

stop at the New River Gorge

Bridge. (We have been hard

to keep up with on these

mountain roads....)

We have just passed Okaw

Valley at 8:30 p.m.

We are about 10 miles to

the West of Williamsburg.

We were taking bets about

when we would pass them.

I took 8 p.m. and Jerry

Tanner took 7:30. I guess I

was closer.

We talked to the Okaw

Valley bus shortly before we

passed them on a hill. We

waved at them and they

waved at us.

At Fort Estes, we left Fort

Estes in Virginia. We ate a

good breakfast of bacon,

eggs, French toast, and

regular toast. We were

surprised this morning at

5:30 because breakfast was

served at 6.

At Fort Estes, we slept in

large Army circus tents and

they left us cots on which to

sleep.

We got our drinking water

from large 300 gallon mobile

water tanks. We were

camped on the machine gun

practice range.

We were so far back in

there that they had to pipe

sunshine into us.

We had to go four miles to

the shower and when we got

there we were behind four

buses and there were only

seven shower heads. The

showers were at the animal

treatment center.

We did not take showers

the first night, because they

were open.

We did not take showers

the second night because of

the long line and we needed

the sleep.

It is time to tell you about

our Sunday experience. We

had a 20 minute Church

service at 7 a.m. We waited

30 line for breakfast for one

hour because of the long line.

We stayed in camp to rest

until lunch because we were

up until 1:30 a.m. eating

dinner (a late one) at a slow,

terrible service, with one

waiter. The food was cold

and terrible.

We toured the outskirts of

the Naval yard at Newport

News and saw the back half

of the Aircraft Carrier,

Gum.

We then toured Yorktown,

then Williamsburg. Then we

went to the visitors center at

Jamestown.

We like the display model

of the Fort of Jamestown.

We decided to tour the life-

size model. We saw the

replicas of the three ships

that brought the first

colonists to Jamestown. We

then ate dinner at Pizza Hut

where we fell in love with the

two waitresses, but unfor-

tunately they were married.

We then returned to camp

about 8:30 and found a lot of

assess in line for the shower

so we did not shower. That is

two complete days.

We went back to camp and

where we were swarmed

upon by patch traders trying

to cheat us. We told our boys

not to trade our region

patches and not trade till

very talk with Mr. Tanner.

I forgot to mention that

Bruce Holt volunteered to

bring in front of the Church

service at Fort Estes.

CLEAN UP TIME. Girl Scouts and Brownies from the Quad-

City area wait in line to wash lunch dishes while attending Day Camp, sponsored by the River Bluffs Girl Scout Council, at Camp Torqua near Edwardsville. Director Margot Clements announces 140 girls and 30 adults attended the summer project. Each day the girls took part in crafts, hikes, nature studies, song fests, flag ceremonies, cooked their meals and later cleaned their utensils. Each day the scouts boarded buses near their homes at 8 a.m. and returned at 3:30 p.m.

Continue work on 45 coke ovens

Major reconstruction of

Granite City Steel's "B"

coke oven battery is con-

tinuing.

The rebuilt battery will

improve the plant's

dependability of coke supply

and control of air quality, a

spokesman said.

Designed as a twin of the

rebuilt "A" battery, "B"

battery will contain 45 ovens.

Completion is scheduled by

mid-1982.

"The rebuilt battery will

include the latest

technology for reducing

emissions," said Dr. John

Manda, vice-president of

environmental control.

A variance for operation of

"A" battery during the

rebuild was granted in late

June by the Illinois Pollution

Control Board.

This was necessary

because the physical layout

of the coke oven facility

prevents use of a pollution

control coke receiving car at

times on the "A" battery

when construction is in

progress on "B" he added,

commenting:

"The state's expeditious

handling of our variance

request permitted this

modernization project to

proceed."

Vice-president of

engineering, Fred

Steinkuehler said the multi-

million-dollar project will

employ about 340 con-

struction workers at its

peak.

Special emission-control

features on the ovens will

include a dual-collecting

main to help control and

reduce emissions during the

charging of coal into the top

of the ovens.

New doors of the latest

design and newly con-

structed brick ovens will also

provide a tighter seal against

escaping gases.

In addition, a new door

machine will be installed.

Improvements also will be

made in the pusher machine,

which will be completely

rebuilt to include new

pollution-control equipment.

The project includes

improvements to the coke

oven by-products area, here

portions of the chemicals

produced in coking are

collected and separated.

The addition of an am-

monia still, replacement of a

tar precipitator, and work on

pipelines in the by-products

ALL IN A ROW. Curt Kessler, 7, and David, 10, with his brother Matt Forsy, 8, find a rather complicated way of using skateboards. On

Big pay boosts for construction workers in area

Substantial wage raises are scheduled for local construction workers. The Southern Illinois Builders Association has announced ratification of three-year agreements with the Carpenters District Council of Madison County and the Twelve Counties Southwestern Illinois Laborers District Council. Both agreements are to become effective on Aug. 1, 1981, and continue through July 31, 1984.

The SIBA agreement with the Laborers Council covers 5,000 construction laborers in a 12-county area and applies to all types of construction. The agreement provides for a total increase of \$3.75 plus one and one-half cent per hour training fund contribution.

The initial increase will be \$1.25, with similar increases on Aug. 1, 1982, and Aug. 1, 1983.

The new combined wage and fringe benefit package for the laborers will be \$14.95 an hour.

On July 25, the Madison District Council of Carpenters, with 1,500 members, ratified a new three-year pact that provides for an initial increase of \$1. The total settlement is \$4.50 through July 31, 1984.

Negotiated wage and fringe increments are: \$1 on Aug. 1, 1981, 70 cents on Jan. 1, 1982, 80 cents on Aug. 1, 1982, 50 cents on Feb. 1, 1983, and \$1.50 on Aug. 1, 1983.

The most significant alteration in the working conditions provides for a change in the overtime premium from double time to time and one-half for overtime work performed Monday through Saturday.

Carpenters' hourly rate on Aug. 1 will be \$14.35 plus 75 cents welfare and \$1.05 pension, totaling \$16.15 per hour.

The carpenters also negotiated and ratified a three-year residential agreement with SIBA that provides for total wage and fringe increases of \$1.85 per hour. This agreement also is effective through July 1984.

Last week, the Tri Counties District Council of Carpenters reached a tentative agreement with SIBA on a new three-year agreement, submitted to the union membership July 29 with a recommendation for approval.

UNDERCOATING—RALPH'S TEXACO 22nd & MADISON AVE.

St. Elizabeth's Church parking lot, the threesome decided to go down the hill together, but on three skateboards.

(Press-Record photo by Ed Sade)

Beaten with lead pipe

Dennis Lynn Coleman, 2319 E. 24th St., suffered three cuts to his head and bruises to his left leg when a woman beat him with a lead pipe on the front porch of his home at 3:30 p.m. Sunday.

Coleman said he was summoned to the front porch and when he stepped outside, the woman struck his forehead with a lead pipe about 18 inches long, knocking him down. She then broke the glass in the door with the pipe, entered and cursed and threatened Coleman, he told police. When she went into the room, he went outside to seek help and she came out, threatened to return with a gun and kill him and she left in a car with two friends, Coleman said.

When police arrived, Coleman was bleeding profusely from his forehead. He was taken by Granite City ambulance to St. Elizabeth Medical Center for treatment.

Faces 5 charges

John R. Woodworth, 29, State Park Place, faces five charges after two disturbances at the home of Rita Rippee, 3100 Jill Ave., Sunday evening.

Police first ordered him to leave the house Sunday afternoon and he complied, according to official reports. At 5:45 p.m. Sunday, Mrs. Rippee called police and said someone was trying to break into her house. When police arrived, Mrs. Rippee and Woodworth were in the front yard and Woodworth was bleeding from a cut to his right hand.

Mrs. Rippee alleged that he broke out a kitchen window, climbed through it and grabbed her. Another woman in the house fled to a neighbor's house to get help.

Mrs. Rippee said she was able to calm Woodworth by the time police arrived. Officers took him to St. Elizabeth Medical Center but he declined treatment and walked out, according to official accounts.

When authorities followed him, they alleged he was urinating on the sidewalk. He was arrested and was charged with criminal damage to property, trespassing, battery and two counts of disorderly conduct.

VANDALIZE HOUSE

The home of Erna Gray, 1901 Spruce St., was vandalized between 7 a.m. Saturday and 9 p.m. Sunday. Broken were two kitchen chairs, a microwave oven, the television remote control unit, the telephone and plants and pictures. Wires were pulled out of the television and the telephone wires were pulled from the phone. Food, pictures, plants and human excretion were on the floor. Entry was believed gained by crawling through a porch window.

MAN BEING SOUGHT

Police are seeking a man who indecently exposed himself on Maple Street at 9:50 a.m. Saturday. He was aged 35 to 40, was 5-9 in height, weighed 140, had short black hair and a moustache, and wore a blue shirt and blue plaid trousers.

Robbery attempt charge

After Madison and Venice police halted a van containing four men at Market and State streets, Venice, at 3:25 p.m. Wednesday, in response to a call that a van passenger had tried to rob a 1969 Mercedes St. Venice, was charged with attempted robbery.

The other three occupants of the van, Venice residents, were released from custody Thursday afternoon on the recommendation of the state's attorney.

In resisting the effort to grab her purse, whose strap broke, the woman fell to the ground and suffered a wrist bruise and hand cuts. She did not require hospitalization.

Several witnesses provided a license number and a description of the vehicle that had pulled behind her auto, blocking it.

A Venice policeman saw the black and bronze van traveling south on Klein Street and turning east onto Broadway, leading to the vehicle, stopped a short time later at Market and State.

The occupants were released to Granite City police for questioning.

O'Neal duties are reassigned

With David O'Neal stepping down as lieutenant governor Friday and then leaving for Europe on a business trip for his new employer, a suburban Chicago aircraft firm, Governor James R. Thompson said he had an executive order reassigning the functions of the lieutenant governor's office to the governor's staff.

The governor will assume responsibility for all senior citizen and coal-related programs operated by O'Neal.

David Kenney, Conservation Department director, will head the Abandoned Mined Lands Reclamation Council and Frank Beal, Natural Resources Institute director, will lead the Energy Advisory Council.

The office of lieutenant governor will remain vacant until the end of the term in 1982.

Thompson signed legislation Friday clarifying succession to the office of governor in case of a vacancy.

Following the lieutenant governor's line of succession lists the elected attorney-general and the elected secretary of state filled by appointees, then the elected state comptroller, the Senate president and the House speaker.

CHARGE AGAINST GC MAN IS DISMISSED

A charge of aggravated incest filed June 10 against Jack L. Gibson, 47, of the 3100 block of E. 23rd Street, was dismissed in July by Circuit Judge Andy Matoson on a motion by the state's attorney.

The charge was filed in Granite City.

GC Fire Department

(Continued from Page 1)

Not only does the fire department respond to its emergency calls, it also has an active role in fire prevention, building inspections and school safety programs, appearing before citizens, social groups and donating efforts to charitable causes.

A new rescue vehicle was purchased and put into service in August, 1980. The vehicle is a compartmentized one-ton, four-wheel-drive 1980 GMC manufactured by Emergency-One of Ocala, Fla.

All the latest rescue equipment, including a Hurst tool, is carried on this truck. Seventy-five percent of the cost will be reimbursed to the city from an Illinois Department of Transportation grant. The total cost was in excess, including the communication equipment, of \$40,000.

The equipment operated by the Fire Department at the present time includes two 1973 1500 GPM Seagraves pumps, one 1970 1250 GPM American LaFrance pump, one 1980 1500 GPM Seagraves 50' telescopic, one 1987 65' Seagraves Aerial, one 1984 1000 GPM Ford pump, one 1980 GMC 4-wheel-drive rescue truck, three command cars and four 1977 Dodge van-type ambulances.

The officer roster of the fire department breaks down to a fire chief, an assistant fire chief, three shift commanders and nine captains.

The responsibilities and duties of the various ranks are outlined through the rules and regulations established by the Board of Police and Fire Commissioners, who are appointed for three-year terms by the mayor and city council.

There have been two firefighters who have died in the line of duty.

Industry offers help

(Continued from Page 1)

"It is Granite City Steel's intention, by this letter, to advise the city that we are willing to support such an effort by providing Granite City Steel personnel to participate in such a task force. Some of the types of personnel involved in the task force would have expertise in the areas of accounting, industrial engineering, manpower analysis and management services (computer processing)."

"We would be hopeful that other industries in the Granite City area would also be willing to offer their support to this type endeavor by providing personnel to participate in the task force."

"Once the problems and the reasons they occurred are clearly identified, necessary steps could be implemented to improve the overall efficiency of the city operations with the goal of reducing costs to a level consistent with the city's anticipated income," Seabolt said.

Alderman Paul Fisk noted that he had invited representatives of the industries in the city to attend Tuesday night's city council meeting, but none appeared. "We asked industry to meet

One was killed in a collision on a pumper while responding to an alarm. The other man died while engaged in a fire-fighting situation. Other disabling injuries have occurred over a period of years requiring those involved to retire as a result.

Although all men are required by the department regulations to wear protective gear furnished by the department, injuries still occur, but precautions are always taken to minimize job-related injuries. Like other fire departments, they utilize non-conducting helmets, face shields, nomex type fire coats and turn out pants, fire retardant gloves, flashlights, spanner belts, hose ropes tools, hip boots with steel innersoles and spanner wrenches.

The firefighters belong to International Association of Firefighters Local 253, which serves as the bargaining agent with the city. An obviously good relationship exists between the city and the union which, over a period of years, has been successful in acquiring salary increases and other benefits such as paid hospitalization insurance, paid holidays, ample sick leave benefits, clothing allowance and nine kelly days annually.

The fire department budget for 1980-81 was in excess of \$1.5 million. In 1980, the fire department responded to 787 fire alarms and 3548 ambulance responses. Fire pumps laid out a total of 40,000 feet of 2½-inch and 1½-inch hose. There were 32 on-duty injuries during the year (one serious, but not fatal).

The Fire Chief's Office is located in the headquarters station at 2300 Madison Avenue and is open from 8:00 - 5:00 p.m. daily, five days a week. The Secretary is Mrs. Cookie White, the article concludes.

Industry offers help

(Continued from Page 1)

"I do not know exactly what kind of participation Granite City Steel is volunteering. I'm sure they have some expertise in financing. Let's take a look at it, but we have a job to do (pass the budget) and let's do it tonight and then have a little breathing room to find out where the funds (needed to support the budget) are coming from. Maybe that's what they are offering to help with."

Mayor Schuler commented, "I don't know exactly what kind of participation Granite City Steel is volunteering. I'm sure they have some expertise in financing. Let's take a look at it, but we have a job to do (pass the budget) and let's do it tonight and then have a little breathing room to find out where the funds (needed to support the budget) are coming from. Maybe that's what they are offering to help with."

Alderman Everett Morien suggested, "Let's pass the budget. We then have until September to come up with the money. Granite City Steel has a special meeting on this (Granite City Steel offer) later."

The council voted to place Seabolt's letter on file and proceeded to pass the budget.

Rail relocation okayed

(Continued from Page 1)

The Department of Transportation program regarded as a key to the relocation will be funded at \$110 million for the 1982 fiscal year, a level approved by the president and approved by the Senate.

Under the House version of the budget, only \$6.5 million was recommended for the rail relocation program. The Department of Transportation said it was formed to coordinate the interests of affected railroads, state and local governments, shippers and consumers.

The MARG program calls for expansion and modernization of present yards at Madison and Centerville, and construction of a new yard near National City.

"Rail connections known as the St. Louis gateway constitute one of the worst bottlenecks in the national transportation system," Sen. Danforth said.

"The MARGE project has been long in planning and will be years in execution. But the dividends for this region and for national transportation promise to grow."

"I am hopeful the redeemable preference share will be an important financing tool for the project, and am happy that the conference decision to fund the program at the level sought by the administration and the Senate."

Increase defeated

(Continued from Page 1)

Holland said the agency may have to go to court to seek diverted funds.

Nations said, "To be healthy, a bus system should raise 40 percent of its income from the fare box. We are currently at 26 percent."

In another matter, the board's long-range planning committee designated Price Waterhouse & Co. to do a \$35,000 study of Bi-State Transit financial problems.

A contract for a similar study costing

7 years for GC burglary

Circuit Judge Philip J. Rarick has ordered John Goodman, 41, to serve seven years in state prison in Illinois for a Nov. 3, 1980, Granite City burglary. The charge was filed Jan. 14 and the sentencing took place in July.

Goodman has no permanent address. Federal Bureau of Investigation agents said he has used such names as William E. Mourey, John Goodman, John Morel, John Moray, Robert Allard, Mourey Williams and Everett Mathews.

The November burglary was at the home of Pyle, 3124 Princeton Drive, where jewelry and coins worth a total of \$2,700 were taken.

Goodman was arrested at 4:30 a.m. April 1. Granite City, Madison and Waterloo police in Madison County surrounded a Granite City motel, and he surrendered without incident about three minutes after being ordered to do so. A 32-caliber revolver was found under the mattress in his room.

He was alleged to have been wanted for federal

parole violation, unlawful flight to avoid prosecution, burglaries and escape from the St. Louis County Jail.

ARREST AT STATION

William D. Fancher, 20, of 2480 Sheridan Ave. was charged with transporting a beer in a jar at 8:55 p.m. Friday in his auto at a service station at 1817 Madison Ave. The jar had just backed against the front of the auto of Loren Austin, 1011 Third St., Venice, who was in line waiting to reach a gasoline pump.

MAN INJURED, AUTOS STRIKE TWO POSTS

Kenneth R. Justice, 25, of No. 26 Briarcliff was taken by ambulance to St. Elizabeth Medical Center for treatment of injuries received at 2:55 a.m. Sunday when the front of his westbound auto hit the rear of the parked car of Billy R. Wood, 1953 St. Clair Ave., on St. Clair 150 feet west of Jill Avenue.

The Wood vehicle was knocked against an Illinois Power Co. light pole, breaking the post, and the Justice auto continued on, striking a crosswalk light, and a Justice auto continued on, striking a crosswalk light, and a Justice auto continued on, striking a crosswalk light.

Justice was charged with reckless driving.

Vadalabene, honored by both parties, will seek re-election

By KARL MONROE

In case anybody had any doubts, Senator Sam Vadalabene (D-Edwardsville) set them to rest at his "Salute to Sam" dinner Saturday night. He said, "No matter how the new district lines are drawn, there will be an election in 1982. Based upon the crowd in this room, I will be running."

Presumably it will be for re-election to the State Senate, although one speaker facetiously remarked Sam would be a good choice to replace Dave O'Neal as Governor James R. Thompson's running mate. State law would prevent such a two-party team, however.

He also had reason to be

pleased at the cross-section of backers who showed up. They included the Republican governor, Thompson, who flew in by helicopter; Senate President Phil Rock, a possible Democratic candidate for governor; Congressman Melvin Price, who flew in from Washington and alluded to being freed to come back by President Ronald Reagan's blitz on the tax bill; State Treasurer Jerry Cosentino; and Robert Gibson, president of the Illinois AFL-CIO.

This was a crystal (15th) year event for Vadalabene. Some of the ten presenters from various segments of his constituency brought gifts of crystal.

President Earl Lazerson of SIUE, enjoying the prospect that the school's new multi-purpose center, a Vadalabene project for about 1,100, according to master of ceremonies and dinner chairman Nick Maggos.

Vadalabene closed his remarks by saying, "In 1983, I expect to be inviting you to a gala affair at the great new multi-purpose center."

John Ulsad, Collinsville, secretary-treasurer of the Carpenters District Council of Madison County, recited a list of Vadalabene-pushed projects topped by the \$11.2 million university building, said, "It will be a shame if that building isn't named for you. I don't mind saying so."

Some quotes: Senate President Rock (D-Oak Park): "Sam was my bodyguard." Many other speakers threw quips at Vadalabene's highly publicized fistclouts on the Senate floor.

Gov. Thompson: "I can think of few in my four years in Springfield who have stood so proudly, fiercely, beside me when I was right, and marched right in and told me flat out when I was wrong. I have been on this campus a number of times

pouring concrete for Sam; as long as the money and the concrete hold out, we're going to keep pouring down here."

Thompson said, "I wish he would retire. I wish he would leave the legislature and join the Thompson administration, moving from the second floor to the third floor."

"His No. 1 priority, education, is the No. 1 priority of the Thompson administration."

"He consistently, persistently recommends people for positions in state government. He frequently, persistently recommends the very best. I've never turned him down."

Finally, referring as others did to "Senator Sam's" hobby of gardening, the governor said he ate no lunch Saturday to say goodbye to Lieutenant Governor Dave O'Neal. "The very first course was the famous Senator Sam beef-steak tomatoes."

Cong. Price: "The worst thing that ever happened to this country was air-conditioning of the Capitol. Before air-conditioning, we

HELPING NATURE. Nameoki Township employees pump water from Village Lane at Buenger Boulevard last week to a nearby field. Heavy rains Monday flooded many streets in the area. (Press-Record Photo by Pat Foley)

Births

Births recorded at St. Elizabeth Medical Center include:

GIRLS

Mr. and Mrs. David Harr II, 4044 Gashlight Walk Apts., July 30, Sarah Jane, five pounds, seven ounces.

Mr. and Mrs. Donald Krug, Belleville, Aug. 2, Nicole, eight pounds.

BOYS

Mr. and Mrs. Jay Coleman, Fairmont City, July 30, Andrew Ryan, six pounds, eight ounces.

AWAIT CLUB OFFICIAL

A club assembly was held last week by Madison-Venice Rotarians in preparation for an official visit by the district governor, William Badger, president and reviewee active, senior active, past service and honorary membership.

News notes

Gov. Thompson signed a law Friday providing a tax credit on production of beer at the G. Heileman and Co. brewery in Bellis, who are producing Stag Beer, and the Pabst Brewing Co. in Peoria Heights, producing Pabst.

Gov. Thompson on Friday praised the Illinois delegation to Congress and the Senate for achieving reconciliation, Medicaid payment levels, block grant structure and funding, and settlement of federal penalty taxes against the state on unemployment pay.

With Karen Myracle of Granite City, a Big Red cheerleader, doing the selecting, South-Western Cable TV has presented "getaway weekends" at Six Flags and Westport Plaza Holiday Inn to Ronald L. Beeler of Granite City, four Collinsville families. Passes to Six Flags are being given to Paul Winn, Gary Deder, Aaron Wilson, Don Kahn and Joan Wichter, all of Granite City, and two Edwardsville, one Troy and two Collinsville families.

An all-day seminar to help Illinois businesses seek and win U.S. defense contracts will be held Wednesday in Springfield, sponsored by Gov. Thompson, Senators Percy and Dixon and Illinois congressmen. Registration will begin at 8 a.m. at the Springfield Hilton.

The Madison County Jail is proceeding with installation of 48 upper bunks in cells, despite continued opposition by the Illinois Department of Corrections to more than one prisoner in a cell.

Ken Oberkell, \$200,000 a season St. Louis baseball Cardinals infielder, worked last week microfilm records for Madison County Recorder of Deeds Ron Lucas. Both reside in Maryville.

Madison County Board Chairman Nelson Hagnauer has agreed to meet with Edwardsville officials to discuss the dispute over the old county jail, which the county wants to raze and the city wants to preserve. Two architects testified Thursday that the 1870 building has historical and architectural value and is sound structurally. Associate Judge Jonathan Isbell will receive depositions this week from the County Board.

Illinois Senate Minority Leader David C. Shapiro, 56, died Saturday at his summer home near Livingston, Mont.

A new state law signed Saturday sets up a mechanism for collective bargaining elections by teachers.

MAN BADLY BEATEN

Clifford Cozart, 2329 Lynch Ave., was severely beaten near Maryville Road, Thursday evening. He was treated at St. Elizabeth Medical Center for an eardrum perforation and for dislocations and bruises of the face, arms, elbows, back and legs. The assailant was identified by Cozart declined to prosecute.

Zoning for duplexes on Yale Drive studied

A request for rezoning for duplexes in the 3200 block of Yale Drive is among the requests to be considered by Granite City's planning and zoning bodies during meetings next week.

The city's Board of Appeals is to meet at 1 p.m. Wednesday, Aug. 12, and the Plan Commission is to meet at 1:15 p.m. Thursday, Aug. 13. Both meetings are to be held on the top floor of city hall.

The request for the Yale Drive duplexes is to be considered at next Thursday's (Aug. 13) meeting when the Plan Commission

hears from the petitioner, Otis Gometz, asking for R-4 (two-family) zoning rather than the current R-2 (single-family) zoning for 3220, 3224, 3226 and 3228 Yale Drive.

Emmett J. Williams also is requesting R-4 zoning, rather than the current R-3 (single-family) for a duplex at 2032 Bryan Ave.

The Plan Commission also is to consider a request by Shirley Pierce for C-1 commercial zoning at 1937 Benton St., to operate a beauty shop. The property currently is zoned R-5 (multi-family).

Five requests are to be considered next Wednesday (Aug. 12) by the Board of Appeals. Jim Henson, 2017 Maryville Road, Bob Stonum, 4008 North St., and Philip Edwards, 1636 Spring Ave., are requesting permission to construct garages or garage additions closer to their property lines than called for in the zoning code. Lawrence Jaros, 2114 Clark Ave., wishes to construct a carport four feet from the side property line of his home and Jerome Johnson, 2426 Lincoln Ave., is seeking a variance to construct a lean-to next to his home's side property line.

FIVE LAWNS DAMAGED

Vehicles early Saturday ran across and damaged the lawns of Arlie Marsh, 2905 W. 20th St., George Nick, 2113 Ohio Ave., Oral Starbuck, 2700 Cayuga St., John Ryan, 2219 Missouri Ave., and Ernest Withers, 2701 W. 22nd St. Also damaged were two large shrubs and a maple tree at the Marsh home, a fence post at the Nick residence, two rose bushes owned by Starbuck, a fence at the Ryan home and 70 feet of sculptured hedges at the Withers residence.

FOUR AUTOS DAMAGED

A vehicle that drove about the parking lot of Roy's Auto Center, 2217 Madison Ave., spinning its tires at 1 a.m. Saturday, struck and damaged Crismon Motors' parked 1978 auto, which was knocked against the parked 1975 car of William Wright, 1109 Douglas St., Venice An intruder also used a rock to break the rear window of a parked 1972 auto and threw a stop sign and post onto the hood of the parked 1974 car of Robert Kennerly.

HELD PENDING BOND

Harvey L. Wright, 21, (alias: Huey) of 133 Lee Wright Homes, Venice, is being held on \$1,500 bond on warrants charging failure to appear in court for leaving the scene of an accident and criminal damage to property. He was taken into custody at 8:21 a.m. Thursday.

AMMUNITION ARREST

Sheila M. Jones, 19, Edwardsville, was charged last week with possessing a live .38-caliber bullet and having no firearm owner identification card. She was taken into custody at the Illini Motel, and was transferred to Edwardsville to answer a disorderly conduct warrant.

FUEL TANKS DRAINED

An estimated 40 to 50 gallons of gasoline were stolen from the fuel tanks of two parked autos, a parked truck and a parked van in a lot at Rebecam Auto Parts, 1601 Pontoon Road, it was discovered Thursday.

SOCKETS ARE STOLEN

Tool sockets worth \$250 were taken at 4 p.m. Friday by a man who had stopped to ask directions at Clark's Hardware Co., 21st Street and Edwardsville Road.

RAIL SIGNAL STRUCK

Robert L. Wilkinson, 30, of 206 Wilson Park Lane was charged with failing to give information on a traffic mishap occurring at 12:30 a.m. Sunday on 20th Street at Omaha Avenue. He was arrested at 22nd and Iowa streets. An eastbound auto had driven onto a center median and knocked down a National Steel Co. railroad crossing signal.

HUSBAND ARRESTED

Alfred Homan, 27, of 3008 E. 23rd St., was charged with criminal damage to property, disorderly conduct and battery after he allegedly forced open a door at his home and slapped his wife, Brenda, at 3 a.m. today. Police said they had ordered him to leave the house an hour earlier and not to return. He allegedly ran as police approached the second time, but was caught nearby and was jailed.

ST. CLAIR INJURY

William C. Krauskopf, 72, of 2909 Seratoga was hurt at 4 p.m. Friday when the front of his westbound auto hit the rear of the parked car of Thorne Tobin, 2429 St. Clair Ave., at the latter address. Krauskopf was released from St. Elizabeth Medical Center after treatment for hand and forehead abrasions.

BURGLARY CHARGE

Violet Shumate, 33, of the Gaslight Walk Apartments in Pontoon Beach was taken into custody at 5 p.m. Thursday on a warrant alleging burglary. She was held at the Granite City police station following a hearing Thursday night at which Associate Judge Thomas Hildebrand set her bond at \$30,000.

Marissa takes title in 'warmup'

By JEFF WILSON
for the Press-Record

MARISSA — "It puts a damper on the game knowing it's not going to hurt you if you lose."

The words of Tri-City Triplets manager Eldon Warfield after his team lost the District 22 American Legion championship game Saturday to Marissa Legion Post 172, were the biggest consolation of the evening for the losers.

The game boiled down to a nine-inning contest for the District 22 championship and a trophy. Before the contest began, the two teams knew they would face each other Thursday afternoon at 2 p.m. in the Fifth Division tournament, and that the only thing at stake was a trophy and the championship.

Also before the game, Warfield said the team wouldn't show everything it had because Thursday was more important. "We weren't holding back," Warfield said after the game. "It just wasn't here."

Indeed the pitching and hitting wasn't there for the Triplets as Marissa's Kevin Pour raised his record to 10-0 and pitched five innings as he struck out ten. It was also Pour's two-run homer in the first that put Marissa on top to stay.

CALLING SIGNALS. Tri-City American Legion Manager Eldon Warfield gives signals Saturday night in his team's 10-6 loss to Marissa in the District 22 championship game at Marissa. Since Marissa is hosting the

With two outs and a man on first, Pour deposited Tri-City's Rick Daily's pitch to the left of the 365 foot mark in left field.

In the second, Marissa

scored four more times to take a 6-0 lead before Tri-City could score off Pour. Bob Ford walked with one out and scored on a single to right by catcher Darren DePew. Behind 6-

1, Tri-City couldn't find the range to score again until the ninth. By then they were down 10-1. "It appeared that they thought they had the game sewed up," War-

field said. For a few fleeting moments, what was left of the crowd that saw the opening of the game were allowed to forget the mosquitoes and see Tri-City play the type

of ball they were capable of. That the uprising was off the third Marissa pitcher was not important. Rick Daily singled to lead off the ninth. After

(Press-Record photo by Ed Sedg)

DePew reached on an error by the second baseman, Joe Schmelke singled and drove in Daily. Walks to Steve Doty and George Jarvis loaded the bases for Tri-

City. That knocked out pitcher John Wahlg and brought in Rich Hargis.

After another run scored, a two-out double by Dan Patterson drove in two more making the score 10-6. Bob Ford, the ninth man to bat in the inning, then hit one weakly to the pitcher to end the game.

"We accomplished a few things," Warfield said. "I know I can go to Bob Ford to pitch now." Kevin Cripps who was to be the starting pitcher Saturday couldn't make the game.

"We weren't concentrating at the plate. It wouldn't have bothered me if they said we wouldn't play," Warfield added. His thoughts are now toward Thursday's match.

"I have no idea who'll go (pitch)," he said not wishing to tip his hand. Tri-City was held to seven hits by the Marissa staff. Dan Patterson was three for five with two doubles and two RBIs. "But Joe Schmelke was two for four with two singles and one RBI.

Mark Schulte was three for four for Marissa with a triple, homerun and three RBIs. Kevin Pour was the other leading hitter for Marissa with a one for two game, a homerun and four RBIs.

Chiefs shut out Cardinals in scrimmage 18-0

Special to
the Press-Record

COLUMBIA, Mo. — Same story, new chapter.

You know, the team that wins the pre-season controlled scrimmage always points to the strengths of the team and how well they moved the ball against the loser. Ah yes, the loser. The loser always says that the game wasn't a true test of the team that'll be taking the field during the regular season and that it really doesn't mean anything because it just gives the

coaching staff a chance to look at the guys who are borderline.

The cast for this particular little scenario — The winner: the Kansas City chiefs. The loser: the St. Louis Cardinals.

The Chiefs scored three times in five chances and the Big Red tallied for naught in the 18-0 Kansas City victory. The Cardinals had six chances. There were no kickoffs. Just a controlled scrimmage.

Each team had the ball for nine-play drives starting at

its own 35-yard line. If the team didn't get a first down in three plays, the ball was returned to the 35. If a team advanced the ball inside the other team's 20-yard line, the drive was allowed to continue until the team either scored or was stopped on fourth down.

They (the Chiefs) dominated the scrimmage and they controlled the line of scrimmage. That's IN-CLUDING scrambles by quarterbacks Rusty Lisch and Neil Lomax, who are battling it out for the backup

line of scrimmage. Sometimes, it was the fault of an offensive linemen or linemen. At other times, it was the fault of running backs not finding the right hole quick enough.

The running game was probably the most glaring weakness in the Big Red attack. And how. Cardinal rushers accumulated a whopping minus-31 yards on the ground. That's IN-CLUDING scrambles by quarterbacks Rusty Lisch and Neil Lomax, who are battling it out for the backup

spot to longtime veteran Jim Hart, who did not see action in the controlled scrimmage. Lomax and Lisch combined for 131 yards in the air. But the lack of a strong running attack held the figure back a bit.

"When we wanted to run the ball, we couldn't control the line of scrimmage," Hanifan said. "We'd end up in a bad situation because of that." Lisch was 8-for-14 in the passing department for 88 yards. Lomax was 7-for-17 and 43 yards and one in-

terception that came on the final play of the scrimmage.

"The number one thing was to get a chance to look at younger players," said Hanifan. "A lot of the young players were very hyper going in. A lot of them were so nervous in pre-game drills that we knew it'd be chaotic."

"The bright spot was the play of those two kids," said Hanifan of Lisch and Lomax. "They were getting the ball on the guy, but we had a lot of dropped balls. You know, that has to be frustrating when you're trying to get

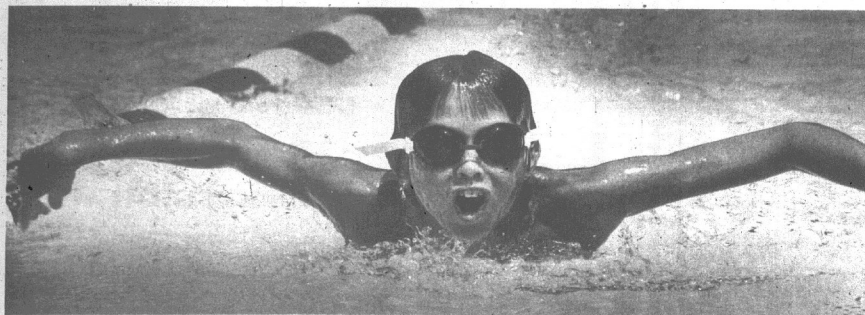

something going."

The Chiefs, meanwhile didn't look all that impressive, either. But defensive lapses by the Big Red made them look better at times. Kansas City scored on a 68-touchdown pass from quarterback Bill Kenney to Henry Marshall, an eight-yard TD run by Joe Delaney and a one-yard scoring plunge by Horace Belton.

Defensively, the Big Red's number one draft choice, E.J. Junior, had a so-so afternoon. He managed one bell-ringer of a hit on the Chiefs' Belton. But other

than that, wasn't outstanding. "For his first time out, he didn't look too bad," said Cardinals defensive coach Tom Bettis. "But there's a lot of room for improvement. He's got a lot to learn."

Hanifan reflected on the afternoon's proceedings. "When you don't score any points in a controlled scrimmage like this, it's cause for concern," said Hanifan. "And when the other team does it three times, you'd better find out what the problem is damn quick."

THE FLY? Well, sort of. Granite City Paddlers' Vince Darnell competes in the 9-10 boys 50-yard fly race Saturday afternoon in the annual Southwestern Illinois Swimming

Association championships at Gaslight Pool in Collinsville. Darnell finished third, but his team came in first, capping off an undefeated season for Paddlers.

Paddlers romp to SWISA crown

COLLINSVILLE — A perfect season. All wins. No losses.

The Paddlers Swimming and Diving team from Granite City finished a perfect season here Saturday afternoon when it romped to the Southwestern Illinois Swimming Association (SWISA) championship.

Gaslight Pool in Collinsville was a distant second with 370 points, followed by Summers Point of Godfrey with 329. Montclair of Edwardsville with 282, Dorchester of Belleville 116 and the Bellefontaine Eagles of Florissant, Mo., last with 88.

Last week, the Paddlers diving team won the SWISA championship meet at its own pool in Granite City. Strotheide led the way. She finished first in the 13-14 girls freestyle, individual medley (with a time of 2:34.4) and backstroke.

Linda Kuberski was second to Strotheide in the freestyle. In the girls 15-18 freestyle, Laura Jenness of Paddlers was fourth.

The Paddlers medley relay team finished second in the eight and under boys competition with a time of 1:25.02. Gaslight was the winner with a time of 1:18.89. The Paddlers eight and under team won its race with a time of 1:24.47. Gaslight was second.

In the 9-10 boys medley relay, Paddlers were first with a time of 2:41.33. The Paddlers 9-10 girls also finished first with a time of 2:32.56. Paddlers placed second in boys 11-12 division with a time of 2:16.52. Montclair was first with a time of 2:14.43. The 11-12 Paddlers girls were also second to Montclair. The winners' time was 2:12.92. Paddlers had a 2:18.74.

Paddlers racked up another second place in medley relay competition in the boys 13-14 year old group. Sunset Hills was the winner.

The Paddlers 13-14 girls placed first with a time of 2:08.83.

The boys eight and under 25 yard freestyle was won by Billy McMorris of Gaslight. Billy McMorris was second. In the boys 9-10 freestyle, Mark Fussell of Paddlers finished fifth.

In the girls 9-10 freestyle, Laura Baldwin of Paddlers was fifth. Collins Harlin was third in the boys 11-12 freestyle. Another fifth place was picked up by Dawn Kamadulski in the girls 11-12 freestyle.

Jason Jolley of Paddlers was third in the boys 13-14 division freestyle. He had a time of 2:17.7 seconds. In the girls 13-14 freestyle, Linda

Kuberski was third and Diane Oliver finished fifth.

John Becherer of Paddlers was in boys 15-18 free and Laura Jenness was third in the girls division.

In the individual medley, Vince Darnell was third.

In the individual medley, Vince Darnell was third. In the boys 11-12 division, Kristi Toussaint was fifth.

Brendon Baggett of Paddlers was sixth in the boys 13-14 IM. Strotheide was tops in the girls division with J'Lynn Hankins second.

Shawn Allen was second in the boys 15-18 division and Denise Darnell was third.

The boys eight and under breaststroke, Billy McMorris of Paddlers was fifth. Cathi Martin of Paddlers was second in the girls eight and under competition and Jenney Baker was third.

Jason Fussell of Paddlers won the 9-10 boys breaststroke. D'Na Hankins was first in the girls division and Laura Baldwin was fourth. In 11-12 boys, Mike McCormick was second. Laura Meyers was the winner in the girls division.

Randy Robinson was third in boys 13-14 competition. J'Lynn Hankins was the winner in the girls division.

Jones tops at Speedway

By JOE SENTER
For the Press-Record
GRANITE CITY — Rob Jones was Top Dog at the Night City Speedway Saturday Night in Granite City.

Jones started the 20-lap feature event on the front row pole and jumped into the lead at the drop of the green flag as he had his 1980 Camaro No. 71 running and

handling to perfection. Jones led the entire 20-laps to take the checker flag after fighting off Mike Null, Gene Crider, Bo Smith and local driver Rod Bailey, with Smith finishing second in a brand new Camaro No. 7 just completed in time to enter the race. Jones had a perfect night getting four wins out of four starts. Tom Ulley lost his No. 18 Camaro in the fourth turn the one-half mile track, getting on top of the guard rail and turning upside down on the track, but was unhurt, but was out for the night.

Tom Stone won the 20-lap Street Stock Feature Event, as well as the Trophy Dash to give him a two out of three wins for the night. Stone started eighth and by the end

of the seventh lap on the one-fourth mile track, he had taken the lead and went on to win. Jim Pagel was the car to watch as he started in fourteenth place of the Feature Event and drove a hard race finishing second, after passing cars high or low on the smooth one-fourth mile track. He worked his way up through the cars one at a time. He might have won if there had been a few more laps to go. Pagel recently got married and spent his honeymoon driving his race car at Tri-City Speedway.

Limited late models and street stocks will be racing every Saturday Night. Special event along with this Saturday Night's races will be a drawing for attendance prize plus there will be 5,000

pennies scattered on the race track and kids will be invited to come out of the stands to pick them up. (Keep what they find).

Antique and classic cars will be on hand Aug. 15. Adults \$4 and kids six to 12, \$1 every Saturday Night. Gates open 6 p.m.

Helpers needed

GRANITE CITY — The Granite City Park District is currently taking applications for playground attendants at the West Granite Park. Interested applicants must reside in the park district. For additional information contact the park office at 877-3059.

Tripets dum Alton 4-2 for crown

By TERRY MACKIN
of the Press-Record
ALTON — All season, Tripets' catcher, Daren DePew has been a thorn in the opponent's side. Few balls bounce to the backstop, and his throws to second base have cancelled quite a few stolen bases. His manager, Eldon Warfield, rates him as the "best defensive catcher in the area."

But after Thursday's 4-2 Tri-City victory over Alton to claim the North Division

playoff championship, opponents discovered that DePew is not just another strong arm behind the plate. With two out in the seventh inning and the score tied at 2-2, DePew stepped to the plate. Danny Patterson had singled and Rick Daily stood on first after being hit by a pitch. Two on, two out, pressure full. The fans were silent. It was a desperate situation for the Tripets.

And DePew rose to the occasion, as he sliced a fastball to the fence in right center field to score both Daily and Patterson and give Tri-City a 4-2 lead and eventually the right to continue playing baseball this summer.

With the victory, the Tripets eliminated Alton, and earned the right to face South Division champ Marissa on Saturday to determine the District 22 championship. (see related story.)

But it was Alton that struck first and thrust a scare into the hearts of the Tripets fans.

Clark Fry drew a walk off of Tripets starter Steve Doty in the fifth inning and stole second. After Twichell struck out, Pat Morrissey waited for another walk. Then Orban grounded to the pitcher Doty, to give Alton two outs and Doty a little more breathing room. Russ Brakeville then grounded to Patterson at short, but he threw the ball well over the head of Jarvis at first to allow both runners to score.

But Tri-City tied the score in their sixth inning. Patterson doubled, and Daily reached first on an infield hit. DePew then grounded out to the pitcher, but Joe Schneke singled to score both runners, with Daily barely making it on a very close play at the plate. Keith Burton, who had just beat Alton the night before, relieved Doty and set them down to set the stage for DePew's heroics in the seventh inning for the Tripets 4-2 victory.

And Warfield could not have been prouder of his players, which are down to twelve bodies.

'Nucleus' paces Tri-City to victory

By TERRY MACKIN
of the Press-Record
ALTON — The nucleus. That's the word that Tri-City Manager Eldon Warfield uses to describe the 12 players that finished the season as Tripets. The District 22 North Division playoff champion Tripets, that is.

They laughed with every victory, frowned with each defeat. When the season began to sour, they stuck together and kept heads up. They played the game hard, and realized the consequences would not always fall in their favor.

Twelve players. The nucleus.

They are just a super bunch of guys, Warfield said after Thursday night's playoff win against Alton for the championship. "All year long, clutch plays have been coming from all of them. They stuck together and deserve this championship."

Alton was the number two team in the area, and we beat them twice in a row at their field, with all of the pressure on our back. That defines the character of these guys."

The nucleus. Twelve guys. A team. Champions.

Each deserves a pat on the back. A round of applause. A cold beer. At least a comment from their manager.

Catcher Daren DePew: "The best defensive catcher in the area. A real clutch hitter. Super attitude. Gave 110 percent every game."

First baseman George Jarvis: "Another super game. Tough year at the plate, but never gave up. 100 percent all the time. Great kid."

sportshorts

Epps to Cougars

EDWARDSVILLE — The 1981 recipient of the Granite City High School's "Outstanding Senior Girl Athlete" Award, Deanna Epps, has signed an Association of Intercollegiate Athletics for Women letter of intent with the field hockey Cougars of Southern Illinois University at Edwardsville, seeking to head coach Diana Hedrick.

Epps, who was also selected as the Most Valuable Player for the Steelers, as well as being recognized as the "Outstanding Senior" by the physical education department, played two years of field hockey for GCHS and also participated on the Steelers' track and field team.

A Granite City native who played on the forward line for the Steelers, Epps will make a strong bid at a starting berth as a freshman. "Deanna will be one of the top contenders for either the right or the left wing position for the 1981 Cougars," according to Hedrick. "She has experience on both sides of the field, and I expect her to add a lot of strength to our forward line."

Epps will also bring some much-needed leadership to the Cougars' attack this season. As a senior at GCHS, Epps served as captain of the Steelers. The Cougars will be looking for new leadership in 1981 because both co-captains from the 1980 season, Marlie Bunch and Amy Frey, graduated last spring. Both Bunch and Frey played on the front line for the Cougars.

Members and their guests are welcome. Fee is \$20 per couple, which will include a steak dinner, dance, swimming and volleyball. Those coming are asked to bring a desert or an appetizer and their own beverage.

GRANITE CITY — The Granite City Park District is sponsoring a trip to the St. Louis Cardinal baseball game for the Senior Citizens of the Granite City Park District. Those interested must live in the Park District in order to qualify for the trip. The trip is scheduled for Wednesday, Sept. 9.

Two school buses have been obtained for this trip to the ball park. The buses will leave the Ice Rink Parking Lot at 6 p.m. The game will start at 7:35. Tickets for the Cardinal-Cub Game are \$9.50 each. Those interested may register for the trip at the Park Office beginning Thursday, Aug. 6. There will be no fee for providing the buses. The maximum number that can be handled is 89 people. For more in-

formation, those interested may call the Park Office at 877-3059.

The KEY to All Your REAL ESTATE and INSURANCE Needs!

GRANITE CITY — The Granite City Park District baseball tournament was held last week. Twenty teams comprised the three division tournament - Midget II, Juvenile I, & Juvenile II. Local teams participating in the tournament were the Saints, Kelly Railroad Sluggers, R & R Carpet, Winfield Construction, Burger King, and Granite Sheet Metal.

Team trophies were presented to the first and second place teams and the consolation winners. First place teams received individual trophies.

The results of the tournament were:

MIDGET II
1st Place, Saints; 2nd Place, Lemay Bombers; 3rd Place, Evanville Sophomores.

Consolation Winner
Ballwin Hustlers.

JUVENILE I
1st Place, Lemay Bombers; 2nd Place, Johnny Mac-Fenton Hustlers.

Consolation Winner -
Burger King.

JUVENILE II
1st Place, South Side Americans; 2nd Place, CSMAC.

ILLINI COACH QUILTS

CHAMPAIGN — Linda Pecore, the University of Illinois women's tennis coach, announced today her resignation of the position, effective at the conclusion of her current contract. Pecore will remain as an instructor at the University of Illinois, and will retain a position at the Racquet Club in Champaign.

Pecore explained that the decision was based on several factors. "I have given a lot of thought to the decision," she said, "and with continued health problems, the transition the tennis program is undergoing and teaching assignments, I felt that I could not do the job I wanted to do."

Pecore's appointment was a fifty-percent teaching and fifty-percent coaching assignment. Pecore will continue to teach courses in the physical education department of the University. In addition, she will serve as a program director at the Racquet Club and assume duties in the proshop of the club.

Pecore noted that the expanded schedule of the tennis team, which now includes indoor winter matches, has made the position of the head coach more demanding. The sport, she explained, has become a year-round sport.

Dr. Karol Kahrs, assistant director of athletics in charge of women's sports, noted that Pecore had made valuable contributions in her three years as the head women's tennis coach. "Linda has made an excellent contribution to the program and laid a solid foundation for a successful future. We offer our best wishes to her as she makes this career change that should be beneficial in terms of her personal goals."

Kahrs said a search for a new coach for the coming season will begin immediately.

Paddlers

(Continued from Page 7)
winner of the girls division. Lisa Baldwin was third. Jeff Welborn was sixth in boys 15-18 group. Laura Jennis was fourth in the girls division. Krista Lorden was sixth. Tobe Suarez of Paddlers was sixth in the boys eight and under backstroke and Jenny Baker was first in the girls division.

Vince Darnell was the winner of the boys 2-10 division and Kelly Reed was champion in the girls group.

Melinda Pucker was sixth. John Amish was first in the 11-12 boys group and Dave Baker was fourth. Kristi Toussaint was fourth in the girls division and Tonya Geeske was fifth.

Jason Jolly was second in the 13-14 boys division. John Amish was sixth. Cindy Strotheide was first in the girls competition. Shawn Allen was first in boys 15-18. Denise Darnell was third in the girls division. Krista Lorden was sixth.

In fly competition, Billy McCormick was second in eight and under boys, Jenny Baker and Cathy Martin were one-two in girls, Vince Darnell was third in 9-10 boys, Kelly Reed was second and D'Nia Hankins sixth in girls competition.

The Paddlers victory marked the first time ever that the team's swimmers and divers reigned as SWISA champions the same season.

Allen was fifth in boys. Denise Darnell was third in 15-18 girls. Paddlers won freestyle relay events in seven age groups.

Modest gain in home sales during June

The severe depression in the resale market eased slightly in June, as sales of existing single-family homes nationwide rose six percent to a seasonally adjusted annual rate of 2,650,000 units.

Dr. Jack Carlson, executive vice-president and chief economist of the National Association of Realtors, said, "This gain, in the face of oppressive high interest rates, proves that the underlying demand for housing is strong, 'and that even a slight drop in mortgage interest rates could lead to a substantial housing recovery.'"

He added that adverse market conditions are still holding resale activity 35 percent below the peak level achieved in November 1978, making this by far the worst housing slump in the 13 years the association has kept resale statistics.

Resale activity during the first half of 1981 was at its lowest level in six years — 1,270,000 existing home sales, nearly 100,000 units below the same period last year.

Much of the June increase came from the South. Other regions are continuing to report low levels of transactions.

Carlson also blamed high mortgage interest rates for dampening the appreciation rate of home prices.

"While the median sales price of a resale property in June was \$67,900, up \$1,600 from the previous month," he said, "it was only 7.1 percent above the price level for the same month a year ago."

Resale prices are up around 8 percent this year. If this trend continues, 1981 will be the first year since 1976 that price appreciation has not been at a double-digit rate.

In addition, Carlson said, price increases this year are probably overdone because of the widespread use of creative financing techniques in home sales. In order to facilitate the sale of a home, sellers are willing to help buyers by taking first and second mortgages and by providing other financial assistance.

The economist said the federal policy of fighting inflation solely by high interest rates must change in order for the housing industry to recover. Otherwise, only tax policy tied to their firms and housing can provide help during the next 18 months, he commented.

Recent acceptance by the Senate and the House Ways and Means Committee of a proposed tax-exempt savings certificate tied to housing is a step in the right direction, he added, and would allow depository institutions to attract savings at lower costs.

"Funds that now cost 14 percent would cost only 10 percent with the certificates," he said.

Pvt. Drennan ends engineer course

Pvt. Edward F. Drennan Jr., son of Mr. and Mrs. Edward F. Drennan Sr., 4012 Laura Drive, Granite City, has completed a combat engineer course at the U.S. Army Training Center, Engineer, at Fort Leonard Wood, Mo.

During the course, students were trained in the techniques of road and bridge building, camouflage and demolition. They also received instruction in combat squad tactics as well as in the use of infantry weapons.

IT'S STILL QUICKER!

IMPROVED ACCESS is the goal of construction work at St. John United Church of Christ. A concrete ramp is nearing completion,

Ramp at church; elevator planned

Phase I of "Project Accessibility" is nearing completion at St. John United Church of Christ, 2901 Nameeki Road.

The two-building, multi-level complex has basic accessibility problems for the elderly and the handicapped.

At a special congregational meeting May 17, the members voted to undertake a two-part, \$150,000 building project. When completed, it will enable anyone to attend activities and worship at St. John.

Phase II is the construction of a concrete ramp from the parking lot to the lower level of the educational building. Its cost is \$12,000.

Phase II is a two-level commercial elevator which will make the sanctuary and the fellowship hall easily accessible from the parking lot level.

The elevator will be constructed at a cost of \$135,000. Both the ramp of Builders Design Service of Edwardsville.

Several years ago Velma Farrance, a member of the St. John congregation, contributed \$10 for a ramp and/or elevator.

A few additional dollars trickled in during the next few years, mainly due to then Building and Grounds Chairman Ken Anderson (1976-1978), a major proponent of the project.

In 1980, Church Council President Steven Sueess began to develop a program. He submitted the name "Project Accessibility" to the Council, which approved it.

With an official name, a committee was appointed to undertake a major campaign issuing offering envelopes and suggesting that gifts, bequests, and memorials be designated for the project.

A passbook savings account was opened to keep Project Accessibility money separate from other church accounts.

When Donald Bunselmeyer

succeeded Sueess in January 1981, he made the project one of the chief goals of his term, initiating the process which brought about construction of the ramp.

Both Bunselmeyer and Sueess have been assisted by John Relleke, building and grounds chairman and Project Accessibility chairman, and his committee: Daryl Few, Paul Boyer, Velma Farrance, Ken Anderson, Joe Hassler, Leroy Schaefer and Myrtle Landwehrmeier.

Additionally, a Project Accessibility finance committee was appointed by Bunselmeyer, consisting of Charles Gauer, chairman, and Ken Anderson, Dick Buenger, Wilbert Engleke, Bill McAmish, John Relleke, Pat Schulte and Charles Zeugin.

St. John Church is not just a busy place on Sundays. Members say it is like a community center housing meetings for many organizations throughout the week, such as the Tri-Cities Association for the Retarded, Alcoholics Anonymous, Al-Anon, Parents Without Partners, Tri-Cities Crippled Children's Association, Parents of Retarded, and senior citizen groups.

About 36 committees and organizations of the church also meet monthly. Founded in 1862, St. John United Church of Christ is the oldest church in Granite City standing on its original site.

TRUCK KILLS DEER
A deer was killed by a pickup truck that struck it in the 1500 block of Johnson Road at 11:30 a.m. Thursday. The animal had run into the street and into the path of the eastbound vehicle of Kevin Burns, 16, Edwardsville. The truck sustained damage to its right front end and had to be towed to a garage.

2,700 arrests on buses

Almost 2,700 arrests were made on Bi-State buses during the fiscal year that ended June 30, according to Frank Kavanaugh, manager of security for The Bi-State Development Agency.

"The program is considered an overwhelming success," Kavanaugh said. "While the numbers of arrests make an obvious statement, the really critical point is that the buses are cleaner and more comfortable, and the passengers are safer as a result of this program."

Under the Bi-State security program, off-duty police officers are randomly assigned to buses where they have the authority to make arrests and issue summonses. "It covers the entire Bi-State service area, which

is one reason that the program is so effective. The other reason," according to Kavanaugh, "is that the officers participating in the program are really dedicated and have done a superb job."

The program is now in its 30th month of operation, and has reached the point where arrests have passed through a leveling off period and are beginning to decline. According to Kavanaugh, this coupled with a decrease in complaints, is proof of the program's effectiveness.

During calendar year 1980, there were a total of 2,937 arrests, and from January through June of this year there have been 1,363 arrests. "People are now aware that the police are on the buses and those who

might do mischief are thinking twice about the way they act," Kavanaugh said.

According to Bi-State records, most arrests are for smoking and drinking alcohol beverages. Those two offenses alone were responsible for over 1,000 arrests since January of this year. Of arrests since January, the largest number were for smoking, followed by drinking, violation of controlled substance laws (drugs), peace disturbance, bench warrants, and loud radios.

THEFT PROBATION
Timothy W. Werner, 18, of 254 Cleveland Boulevard has been placed on one year of probation by Circuit Judge Andy Matosian for an Aug. 1, 1980, felony theft occurring in Granite City.

avoiding steps when entering the lower level of the educational building. Next phase will be the installation of an elevator.

Tax levy hikes over 5% must be given hearing

Governor James R. Thompson last week signed "truth in taxation" legislation requiring local units of government seeking to hike their tax levies by more than 5 percent to hold hearings on the proposed increase.

"I consider this to be one of the most important pieces of legislation to come out of the General Assembly this session," the governor said. "Illinois taxpayers deserve to get a full explanation from their local officials why their local tax bills are going up."

"This measure will allow them to get that explanation in an easy to understand way."

House Bill 1048 was part of a package of tax reform bills

backed by the governor. It requires all units of local government, school districts and community college districts wanting to extend property taxes in excess of 105 percent of the amount extended in the previous year to inform the public of the increase in newspaper ads and hold hearings on the planned tax increase.

After that public hearing, the taxing district may adopt the levy but the time and date of the meeting to adopt the new levy must have been announced at the public hearing.

The bill was sponsored by Representative Thomas Ewing, Pontiac, and the Senate Revenue Committee.

Officials see progress at area college

The top two officials issued statements last week after Dr. Bruce R. Wissore was selected as president of Belleville Area College in a 4-2 vote.

Dr. Wissore had served as acting president of the college since Dr. William Keel resigned as president a year ago.

The new president released the following statement in response to his appointment:

"During the 1980-81 year, the college has experienced a change of direction which has resulted in a strong, positive financial condition. The need for an increase has been significantly delayed.

"As these things have been done, the welfare of our students as measured by enrollment figures, dropout rate and grade-point average have improved.

"A three-year plan to reduce expenses by \$1 million was developed, and after one year the college is ahead of schedule.

"The goals which the board has adopted for the college for the coming year indicate more of the same: increased financial accountability, improved long-range financial stability, increased awareness by all college staff members of the goals of the college and the goals of their area, and increased participation in college activities.

"These things are to be done without decreasing quality in any way.

"It is my intention to work with the board, administrative staff and faculty who have made this year's results a reality.

"It is my intention to allow those who have not participated to become an important and integral party of college operations.

"Belleville area College is a great place to work. District 522 has provided its educators with excellent resources.

"I am looking forward to cooperation by all parties to continue to move BAC toward its goals," Dr. Wissore concluded.

Belleville Area College Board of Trustees Chairman Robert Dantelmann made the following statement at the special board meeting:

"We have elected Dr. Bruce R. Wissore as the new president of Belleville Area College.

"We have done so because we believe the decision is in the best interest of the total education system of the college and the community it serves. As trustees, that is our major responsibility.

"Last March, we appointed a search committee to aid the board in its selection process. Ninety-three applications were received and the search committee recommended the top seven candidates to the board.

"The board reviewed the final seven applicants and personally interviewed the top four.

"All things considered, it is our judgment that Dr. Wissore is the best man for the job. He will help us meet our primary obligation to provide the best possible community college.

"Now, he and we and the entire staff and community can get on with the task of educating the thousands of

students who depend on us. "We have had a great deal of experience with Dr. Wissore over the past eight years. We have watched him work under great pressure, and are convinced he has the background, desire and ability to give the outstanding leadership we urgently need."

"We are equally convinced that time will be the best judge of our decision, and that it will prove to be the right one.

"We now call upon all those who believe in BAC to unite in its behalf and give their full support to President Wissore, our staff and students to insure the college's progress."

"We face serious problems, as do all educational systems. We intend to do our very best to solve them, and we need to get on with the challenge and the opportunity."

Dr. Wissore served as acting president of BAC for one year.

He was vice-president for executive services at BAC before that, and was an assistant to the president at the college from 1973 to 1977.

Before beginning at BAC, he served as special agent, Army intelligence, for three years.

He was assistant wrestling coach and a graduate teaching assistant at Southeast Missouri State College, Cape Girardeau, Mo., from 1960 to 1970.

Dr. Wissore received a bachelor degree in physical education and English and a master's degree in physical education from Southeast Missouri State.

He also holds a master's degree in student personnel administration from St. Louis University.

He has a doctorate in

19 divorces in area

Nineteen Quad-City area couples have been divorced, Third Circuit Court records show. The husbands are listed first:

Carl Imhoff of National City and Carol Imhoff of Granite City. They were married Aug. 19, 1978.

Steve E. Dose of Granite City and Denise R. Dose (Elmore) of Madison (married Dec. 2, 1978).

Corbin B. Stambaugh and Kazuko Stambaugh (Tajima), both of Granite City.

Probation in theft of a \$2,525 ring

Fred R. Welch, 47, of 1726 Cleveland Boulevard, has been placed on two and a half years of probation by Associate Judge Lola Maddox for a felony retail theft occurring June 15.

A Granite City police officer chased and caught him after a lady's \$2,525 diamond dinner ring had been taken from Hudson's Jewelry Store, 3244 Nameoki Road. Welch had initially been pursued by a store employee and a passerby. The chase included Myrtle, Carlson and Rodger avenues, and the arrest took place in a back yard in the 3200 block of Wayne Avenue.

The 14-karat white gold ring had a multiple diamond arrangement. A youth who had pointed out the ring in a store display asked to see it and then grabbed it from a clerk's hand and ran. The ring could not be found on the afternoon it was taken, but was located the following day during an extensive search of ground in the Wayne Avenue area.

MADISON HIGH SCHOOL 1973 CLASS REUNION

Members of the Madison High School graduating class of 1973 are asked to contact either Cecelia A. Hardy, 906 Village Drive, Edwardsville, Ill., 62025, telephone 1-288-6803 or Rosemary Echols, No. 2025, Gareche Homes, Madison. A class reunion will be held if enough members of the class are interested. Persons are being asked to contact one of the above as soon as possible.

Gilmore-Schmidt

Mr. and Mrs. Terry Gilmore

Wedding vows were exchanged by Miss Jerlyn R. Schmidt and Terry L. Gilmore in a double ring ceremony performed by the Rev. Boyd Wagner on July 4 at St. John's United Methodist Church in Edwardsville.

Following the 1 o'clock afternoon service, guests were received at a reception held in the church fellowship hall.

Parents of the bride are Dr. and Mrs. James R. Schmidt of Edwardsville. The groom is the son of Harry E. Gilmore, 2437 Pine St., Granite City, and the late Mrs. Virginia Gilmore.

Nuptial music was provided by Miss Kimberly Meier, flutist, Mike Thompson, vocalist and Mrs. Ruth Brubaker, organist. Selections included "Colour My World," "If," "Time in a Bottle," "Longer," "The Wedding Song," "Day by Day," "More," and "For All We Know."

Dr. Schmidt escorted his daughter to the altar and gave her in marriage. She chose a full length white satin gown fashioned with a lace bodice, oval neckline and long sheer sleeves accented with lace motifs. Her A-line style skirt and chapel train was encircled with a wide lace trim.

She wore a mantilla headpiece created of lace and pearls to secure her cathedral length veil also bordered with scallop lace and she held a lace fan with a cluster of orange roses, white daisies and baby's

breath attached.

Maid of honor Miss Betty Allison and bridesmaids Miss Jan Schmidt, a sister of the bride, and Miss Nancy Meyer were attired in identical peach and orange floral print crepe gowns.

A floral lace accented the sleeves and bodices and each attendant carried straw fans enhanced with blue carnations, orange roses and baby's breath.

Misses Jenny and Jill Schmidt, sisters of the bride, served as candlelighters. They also appeared in flowered print gowns similar to the attendants dresses.

Jessica Gilmore, a niece of the groom, was dressed in an apricot cotton frock trimmed with white lace and she carried a white basket filled with rose petals.

The groom chose his brother, Jim Gilmore, as best man. Joe Dulcich, John Ortolan were groomsmen. Seating the guests were Rick McQueen, a brother-in-law of the groom, and Jim Schmidt, the bride's brother.

A 1977 graduate of Edwardsville High School, the bride also graduated from Ball State University with a Bachelor of Science degree in Geology and Anthropology.

The groom was graduated in 1973 from Granite City High School and is currently attending Southern Illinois University at Edwardsville, where he is majoring in Business Computer Science. They are residing in Edwardsville following a wedding trip to the Ozarks.

Cauble-Weinert

Miss Carrie Weinert and Bruce William Cauble were united in marriage in ceremonies conducted in St. Louis on July 11.

Attending the couple were Miss Sheila Mangan and Gary Nodine.

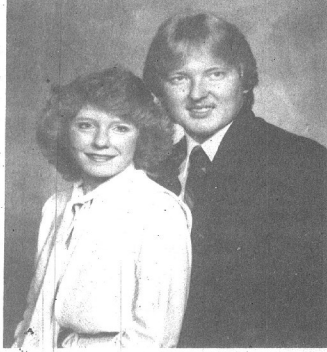

The bride is the daughter of Mrs. Marsha Weinert and Mr. and Mrs. Randy Weinert, all of Collinsville. Parents of the groom are Mr. and Mrs. William O. Cauble, 2820 East 24th St.

After the ceremony a

reception was held at the home of the groom's parents for approximately 55 guests.

Both the bride and groom are graduates of Granite City High School South. She is employed as a computer operator in St. Louis and the groom works at Combustion Engineers.

The newlywed couple spent their honeymoon with her grandparents in Missouri and are now residing in Granite City.

Diane Barlock and Scott Meyer

Meyer-Barlock

Mr. and Mrs. Walter Barlock, 5125 Lakeview Drive, are announcing the engagement of their daughter, Miss Diane Marie Barlock and Scott Alan Meyer, son of Mr. and Mrs. A. Lynn Meyer, 2802 Richmond Ave.

The betrothed couple are planning to be married on Saturday, Aug. 15, from 2 to 5 p.m. at the West 22nd Street Baptist Church, 2800 W. 22nd St.

Miss Barlock is a 1980 graduate of North High School and while attending the high school she was active as a cheerleader and in the band. She is presently employed as a telephone operator for the Better Business Bureau.

Her fiancé is an employee of Mercer-Thomas Mortuary and is a 1978 graduate of South High School.

Mr. and Mrs. Bruce Cauble

Secretaries open season

A dinner meeting to kick off a new membership drive and open the season for 1981-82 meetings of the Tri-City Chapter of Professional Secretaries International, will be held on Thursday, Aug. 6, at Charles's Restaurant.

The membership committee will appoint new team captains and team members during the previous year.

Mr. and Mrs. Timmons name son Dana

Dana Michael is the name selected by Mr. and Mrs. John (Janet) Timmons, 55 University Drive, for their son born July 17 at Christian Northwest Hospital in St. Louis.

The new arrival weighed eight pounds and one half ounce.

Paternal grandparents are Mr. and Mrs. Royce Timmons of Mitchell, and the maternal grandparents, Mr. and Mrs. Howard Crook, reside in Advance, Mo. Great-grandparents include, Mrs. Cecil Hayden, Madison, Mrs. Blanche Timmons, St. Louis, and Mr. and Mrs. Lloyd Barr of Poplar Bluff, Mo.

Third child for Mrs. Broyles

Mr. and Mrs. Ed Broyles of Edwardsville, are welcoming their third child, a girl, who was born on July 24 at Oliver C. Anderson Hospital in Maryville.

The infant has been named Jessica Rose and she weighed six pounds, two ounces. She has two sisters, Marybeth, age 11, and Stephanie Kay who is five years old.

Grandparents are Mr. and Mrs. Ed Broyles Sr., of Granite City, and Charles Wambaugh of Ramsey, Ill. The great-grandmothers are Mrs. Rosalie Finazzo of Granite City and Mrs. Ethel Bradley of Mexico, Mo.

during the meeting set to convene at 6:15 p.m. Each team will compete for prizes throughout the year and the team bringing the largest number of guests as potential members will be named the winner at the conclusion of the project.

According to the Chairman Kathleen Smith, the identical program enrolled five members during the previous year.

Local secretaries interested in attending the Aug. 6 session are to contact the chairman at 354-6372. Active members bringing guests to the initial meeting will be given credit in the competition, the chairman added.

Briarcliff Church Bible School opens

Briarcliff Pentecostal Church, 1120 West Pontoon Road, will hold Vacation Bible School starting Aug. 10 and continuing until Aug. 14, each evening from 6:30 to 8:30 p.m., according to the director Mrs. Bertha Dix.

The theme for the session is "Jesus, Your Word Lives in Me." There will be classes for children ages four through 13 featuring lessons on Jesus, music, crafts and refreshments will be served each evening.

Area children are invited to attend the director added. The Rev. Paul Bauer serves as pastor of the church, and Mark Buday is assistant director.

VICOR's frames, etc.
Rectangular, oval and circle mats. Regular and non-glare glass, prints, Gene's. Expert needlework framing. Master card and Visa. Hours: Tues. thru Sat. 10 A.M. to 5 P.M. 2534 Madison Ave. 452-1799

Shower honors Donna Wilson

Miss Donna Wilson a September bride-elect was complemented with a bridal shower given last week at the Temple Baptist Church in Madison.

Hostesses were Mrs. Kati Chandler and Mrs. Donna McGee. They decorated the hall with pink, burgundy and white streamers and wedding bells.

During the social event games were played and prizes awarded to the winners. Miss Wilson was assisted with opening her gifts by Mrs. Chandler, who will be her matron of honor, and her bridesmaid Miss Dawn Walker.

Refreshments were served by the hostesses to Mrs. Jeanette Wilson, the honoree's mother, to Mrs. Jeanie Agee, her future mother-in-law and 26 guests.

Miss Wilson will be married to Allen Funk of Alton on Sept. 5.

Bohnstiehl reunion set

On Sunday, Aug. 16, the Bohnstiehl family will gather at the Collinsville V.F.W. Hall, 1234 Vandavia St., Collinsville, for their annual reunion, held each year since 1936 (except for the World War II years).

Registration of family members and recording of births, deaths, marriages, anniversaries, will begin at noon. A pot luck dinner served buffet style will be at 12:30 p.m. Those attending are to supply the food, utensils for their families, and lemonade, and are also urged to bring family pictures for the family archives, according to Chairman A. (Helen) Bohnstiehl of Norman, Okla., who is the family historian.

Bohnstiehl is vice-chairman of the family archives, having published the family's history in 1979, adding a supplement in 1980. She now maintains a family album and scrapbook, which contains many photos of early family members, as well as current pictures, either submitted by family members or taken at recent reunions. There is also a current news section with articles from the local newspapers concerning the family members. The scrapbook-album will be on display at the reunion, she noted.

Another feature of the reunion is the awarding of prizes in various categories. Prizes will be presented to the eldest lady and man present, the newest baby, newest newly-weds, couple married longest and one who travels the farthest distance to the reunion.

All Bohnstiehls in this area are descendant of Jacob and Margaretha Voise Bohnstiehl, who emigrated from Neudorf, Germany in 1842, and settled in St. Clair-Madison Co. area of Illinois. Today there are over 200 descendants of this immigrant couple in 25 states and at least 32 cities in Illinois.

Chairman of this year's reunion is John Martin Bohnstiehl, 2724 W. 20th St., Granite City. Also serving on the reunion committee are Nancy Cripps of Granite City and Mr. and Mrs. Dean Danner of Belleville.

Anyone with a Bohnstiehl in their family background is invited to attend the reunion, even if they did not receive official invitation, the chairman added.

Friendly Agers meet at church

A potluck dinner preceded this monthly business session of the Friendly Agers Club. Held last week at the Second Baptist Church.

Opening prayer was offered by Naomi Burnett followed by group singing. Readings were presented by Naomi Rongey, Florence Paul, Gladys Anderson and Nina Payne.

Mildred Garin and Alice Hoffman sang "I Am Satisfied With Jesus." The Rev. Carl Watkins gave the devotions taken from John 1-15 and gave the closing prayer.

Games were directed by Ruby Mayberry for the 35 members and five guests attending.

JEWELRY JOTTINGS

The period is an olive green gem with a soft, velvety appearance. It was mined on St. John's Island in the Red Sea as early as 1500 B.C. It was prized for its supposed ability to break evil spells.

There's no doubt about the ability of this gem to bring happiness to anyone born in August... it's their birthstone. As a gift or for yourself, our jewelry is sure to please.

'Denmark at a Glance' to be shown at meeting

"Denmark at a Glance" will be the topic under consideration at the regular meeting of the women's group within the International Hospitality Program at Southern Illinois University at Edwardsville when it meets Thursday, Aug. 6, at 7:30 p.m. at the First Federal Savings and Loan in Edwardsville.

Elizabeth Bettman, secretary in the Office of International Education at the University, will be the speaker. A native of Denmark, she will discuss the country's people, culture, form of government, language and products.

Dr. Barbara Tetters, who recently assumed her duties as vice president and provost at SIUE, will be an honored guest at the occasion.

The International Hospitality Program is made up of more than 100 families within the communities served by SIUE who act as a hospitality committee for foreign students attending the University. The women's organization was formed in the mid-seventies for the

purpose of cultural sharing. Since its initiation, the organization has hosted presentations representing such varied countries as Morocco, India, Iran, Germany, Scotland, Ethiopia, Iceland, and China.

The meeting is free and open to the public. Additional information may be obtained by contacting Janet Keller at 692-4530.

Dan Parkers name girl Allison Leigh

Mr. and Mrs. Dan Parker of Littleton, Colo., are announcing the birth of their first child, a girl, on July 17.

The new arrival has been named Allison Leigh and she weighed seven pounds.

The maternal grandparents, Mr. and Mrs. William Holleran, reside in Colorado Springs, Colo. The paternal grandparents are Mr. and Mrs. Harry Parker of Lakewood, Colo., formerly of Granite City. Mrs. Parker, the paternal grandmother, is the former Marjorie Gaughan.

FAMILY MEMBERS gathered recently in Swainesboro, Ga., to celebrate the arrival of infant Amanda Brinson, held by her great-grandmother, Mrs. Mae Belle Kirksey of Granite City, at right. Others in the five generation photo, from left to right, are Mrs. Carol Brinson of Swainesboro, Amanda's mother, Mrs. Louise Amerson, also of Swainesboro, grandmother, and Arlie Marsh of Granite City, great-grandfather.

Philip Kostecki marks birthday

Philip Joseph Kostecki, son of Mr. and Mrs. Joe Kostecki, 1017 Reynolds St., Madison, celebrated his second birthday at a party given at the Pizza Hut.

A big fire truck provided the party theme and his special cake was topped with a frosted truck. Favors were balloons and a bottle of bubbles for each guest.

Those attending were the honoree's parents, his sister Cyndi, and Mr. and Mrs. Ed Kostecki and daughters Laura and Rebecca, Mr. and Mrs. Charlie Sabo and daughter Meri, Mr. and Mrs. Joe Mangiaracino and daughter Natasha, Mrs. Donna Laws and son Matthew.

Also Pete Kostecki and daughter Sarah, Bob Wilkinson and sons, Derrick, Eric and Dustin, Red Cunningham, Derek Guardiola, Allison Papa, Melanie and Danny Skolka.

Later in the evening a buffet dinner was served in the Kostecki home to the guest of honor's grandmothers, Georgia Wargin and Ustine "Chris" Kostecki, Mr. and Mrs. Larry Eaves and children Kelly and Doug, Cathy Wargin, Joe Gulash, Linda McMurray, Mr. and Mrs. Harry Wasyak and Kathy Zabotka.

YOU CAN
BANK
on it!

E. A. KARANDJEFF
Chairman
GRANITE CITY BANK

Q. I have heard bits and pieces of information about something called the "all-savings" bill, now before Congress. What exactly is this legislation?

A. If the bill passes in the U.S. Congress, it would essentially permit banks to issue a new, one-year savings certificate, enabling savers to earn up to \$1,000 in interest, free of federal income taxes. Couples would be able to earn up to \$2,000. This is in contrast to the exclusions of \$200 for a single taxpayer and \$400 for couples on tax on earned interest, which will be effective with next year's individual federal tax returns. This should provide a tax break to many individuals, who, according to industry analysts, in a recent poll of tax payer, found an overwhelming majority favored the new certificate over the \$200 and \$400 exclusions.

GRANITE CITY BANK

AREA LEHIGH PICNIC
The Lehigh University Club has scheduled its annual summer picnic and its freshmen and undergraduate sendoff for Sunday, Aug. 9, at Tilles Park, Lutzinger and McKnight roads. Beginning at 1 p.m., the picnic is for area Lehigh alumni, current undergraduates, and those who will enroll at the university later in August as members of the class of 1985, along with their parents.

HEALTH WISE

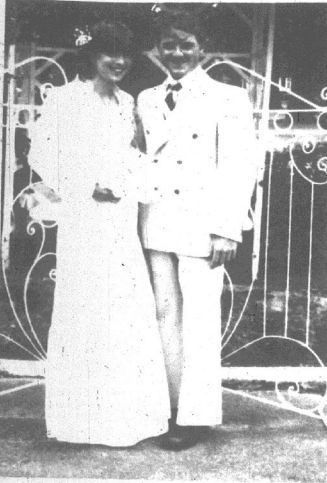

BY
DR. E. L. STROTIDE
CHIROPRACTIC PHYSICIAN

Accident victims should be aware of the importance of a chiropractic examination to determine if injuries include whiplash. Whiplash injuries may not be manifested until 48 hours or so after the accident.

After sleeping for a night or two, a soreness or stiffness in the neck may be experienced. This may indicate a whiplash injury, which results from the sudden, violent thrust of the head and neck in any direction, as often occurs in an auto accident.

Treatment of whiplash by a doctor of chiropractic within three weeks of an accident may prevent a lifetime of discomfort.

DR. E. L. STROTIDE, LTD.
1412 NAMEOKI RD. PH. 876-7800

MR. AND MRS. FRANK SCARSDALE. They were married on June 13 in an outdoor ceremony at Wilson Park. The bride is the former Tina Sedabres, daughter of Mr. and Mrs. Angie Becerra of Granite City, and the late George Sedabres. Parents of the groom are Mr. and Mrs. Harvey Scarsdale also of Granite City. The newlyweds are residing in Richmond, Va., where the groom is employed at E. R. Caystender Co.

Firemen to sell barbecue and Ethnic day tickets

Madison Volunteer Fire Department will operate a stand on the corner of Third Street and Madison Avenue, Madison, Friday and Saturday.

The firemen will sell barbecue pork steaks and shish kebab.

Money saving advance ticket sales for the carnival

rides at the Aug. 21, 22, and 23 Ethnic Days also will be available.

Advance tickets are five for \$2, a savings of 10 cents on each ticket.

Proceeds will help the Madison firemen purchase radio dispatching equipment.

Golden Agers hear about trip

Plans for a trip by chartered bus to Grand Tower, Ill., were heard by members of the Golden Age Senior Club at last week's meeting. Eighteen members met in the Kirkpatrick Recreation Center for a business session, conducted by Ruby Corbitt, president.

Reports were presented by Carrie Hart and Juanita Crawley.

The Grand Tower trip is planned for Aug. 11, with the bus departing from the Kirkpatrick Center at 8 a.m. and returning about 6 p.m. it was announced.

In the social hour, birthday wishes were extended to Leola Sedabres and Mrs. Hart.

Refreshments were served and pinocchio and other games were played.

Among the winners were Loretta Wyskocil, Mrs. Sedabres, Ida Cappel, Mildred Rees, Lumeta Durbin and Mrs. Hart.

ACTING DIRECTOR OF ENVIRONMENT AGENCY
Governor James R. Thompson appointed Delbert D. Haschemeyer on Thursday as acting director of the Illinois Environmental Protection Agency. Haschemeyer, 39, has been deputy director since July 1979.

He replaces EPA Director Michael Maury, whose resignation became effective Thursday. A search for a permanent director is under way.

Indian dance class offered

An Indian Dance class will be held at the Cahokia Mounds Museum in August. The class will meet on four Saturday mornings, Aug. 8 to 29, from 9 to 11 a.m.

Plains Indian dancing will be the focus of this class. The instructor, Edmund Gerlach, is a member of the Cahokia Mounds Indian Dancers, a group that performs interpretive American Indian dances locally and nationally.

Children and adults will be welcome. Advance registration is required, and tuition is \$20. The dance class is co-sponsored by the Cahokia Mounds Museum Society.

To register, Quad-Cityans may call the Cahokia Mounds Museum at 344-6268, or write to P. O. Box 382, Collinsville 62234.

Head Start registration

Parents of 4-year-old children eligible to participate in the Head Start programs in the Quad-Cities must register the children no later than 4 p.m. Friday, Aug. 14.

Appointments and information for Granite City School District 9 may be obtained by telephoning 876-4399.

Information for the Head Start program for Madison and Venice school districts may be obtained by telephoning 876-6190.

MR. AND MRS. ROY LOVE of the Lake of the Ozarks, Mo., former residents observed their 40th wedding anniversary at a family dinner Sunday at Charlie's Restaurant.

Former residents mark anniversary

Mr. and Mrs. Roy L. Love of Lake of the Ozarks, Mo., formerly of Granite City, celebrated their 40th wedding anniversary at a family dinner Sunday at Charlie's Restaurant, given by their children.

Hosting the social affair were two daughters, Mrs. Sharon Ely of Worden, Ill., Mrs. Barbara Lucht of Ferguson, Mo., and a son, Roy A. Love of Madison.

Mr. Love and his wife, the former Irene Olson, were married in St. Louis on Aug. 8, 1941.

They also have four grandchildren, Michelle Leigh Love, Robbie, Matthew and Kristen Ely.

RETIREE IS HONORED

William Bill Duvall of 3049 Dale Ave., who is 54 years of age, was guest of honor at retirement party given by his wife, Mrs. Mary Duvall.

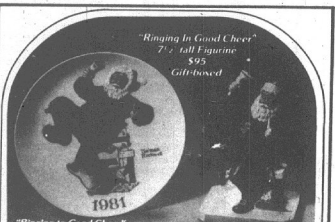

He retired from General Motors in St. Louis earlier this year and was also honored at a party given by his employers.

CHASE BORN

Samuel Chase, a signer of the Declaration of Independence, was born on April 17, 1741, in Somerset County, Md.

Over half of this state's public pensions now funded

Slightly brighter retirement financing news is emerging.

Social Security actuaries said Thursday that the national system is in somewhat better shape than their projections had indicated in early July. The trust fund may avoid "red ink" at least until the end of this decade.

And the overall condition of Illinois' public pension system continues to improve, with assets growing faster than liabilities.

Every two years, the Illinois Department of Insurance compiles and analyzes information received from reports of each public employee system in the state. The 1981 report on the examination of these funds concludes:

—Net assets have grown from \$3.3 billion in 1973 to \$9.3 billion in 1981, up 182 percent compared to a slower growth in accrued liabilities.

—The funded portion has reached 51.6 percent, up from 39.4 percent in 1973, 44.2 percent in 1976 and 47.9 percent two years ago.

—Within the five pension accounts financed by the state rather than localities, all but the General Assembly fund (a drop from 61.3 to 60.5 percent) have had increases in the levels of their funding since 1973. Illinois teachers' pension fund is up from 33.4 to 51.8 percent, state employees from 45.7 to 50.7, universities from 45.0 to 50.2 and judges from 31.3 to 33.6 percent.

As a result, the ratio of net assets to accrued liabilities has risen from 39 to 52 percent during a time when the liabilities have grown by 115 percent—from \$8.4 billion in 1973 to \$18 billion in 1981.

Total income is up sharply from \$278.9

million to \$975.2 million. Expenditures for benefit payments, administration and other costs are up 120 percent from \$357.3 million to \$785.5 million.

Fastest growing component of income is "interest on investments and other income," followed by employers' and then employees' contributions. Such income is now 33 percent of the total, compared to 18 percent previously; employers are paying 26 percent, down from 42 percent, while employees are giving 41 percent of the total.

Meanwhile, downstate firemen pensions have \$2.9, \$64.3, \$52.8 and \$119.1 million in these four savings categories.

Average funding is 47 percent for downstate police pension accounts and 44 percent for the firemen.

Philip R. O'Connor, Illinois insurance director, notes that the 15 largest public employee pension funds in the state enroll 97 percent of all eligible employees. The remaining 489 funds consist of 281 police pension accounts and 208 fire-fighter pension funds, all in downstate communities. Membership is less than 25 in 32 percent of these funds and less than 15 in 29 percent.

Among the top 15 funds is the Illinois Municipal Retirement Fund, which operates on a statewide basis to cover employees of local-level governments and some employees of public school districts. The 504 funds in Illinois have 667,946 members, of whom 149,479 are receiving pensions.

Arbitrator ruling will help reduce bus system deficit

Globe-Democrat comment — Mass transit systems around the country have been getting their teeth kicked in regularly during contract negotiations.

The ability to pay sizable increases in wages and fringe benefits was given little, if any, consideration in the past when the impasse went to arbitration.

This time around the Bi-State Development Agency argued successfully that the financial status of the operation should be a primary criteria in determining wages and benefits to be granted in the new contract.

That argument scored solidly. The arbitrator's decision in favor of the union has the potential to make a dramatic change nationwide in mass transit contract negotiations.

It was a startling victory for Bi-State and a staggering blow for the Amalgamated Transit Union.

In the past, a union would look forward confidently to arbitration.

The arbitrator granted bus mechanics, drivers and service personnel only slightly more than half of the economic package members of Local 701 rejected last fall before the union asked for arbitration.

The arbitrator also ruled out making the wage increase retroactive to last Sept. 30. The workers will lose nearly a full year of the increase, which now will begin next Sept. 1.

It was a rollback for service personnel who clean the buses. At \$9.40-an-hour top wage under the old contract, Bi-State's cleaning crew was among the highest paid in the nation and got only 60 cents an hour less than the pay of the highly-skilled bus mechanics.

Now, the cleaners will start at \$4.90 an

hour and reach the top plateau of \$7 after 36 months, a year longer than formerly.

The shaky financial foundations under the nation's bus systems demand major reforms.

When federal subsidies for mass transit were rolling freely from Washington, nobody seemed concerned by outlandish demands. Now, transit operations are tottering and the worst is still ahead if proposed federal cutbacks become reality.

This extravagant pattern reveals the lack of concern that surrounds federal subsidies.

The Reagan administration's emphasis on reduced spending may be one of the best things that happened to this country in a long time. Now, people are beginning anew to appreciate the value of money.

The new Bi-State contract is a victory for bus riders and taxpayers who pay sales tax to subsidize the transit operation.

Even if bus fares are increased, they shouldn't climb as high as they would if the workers had accepted Bi-State's original offer. The members rejected a 60-cent-an-hour increase and now will get a hike of only 35 cents.

Bi-State will have an estimated \$1.3 million less in labor costs than previously expected in the year ending Aug. 30.

Costs in the second year of the contract may be as much as \$1 million less than originally projected, bringing the total savings to \$3.3 million.

The savings would reduce the estimated budget deficit of \$6.6 million for the year that began last July 1 to \$3.3 million.

That's still a long way from a robust fiscal situation. But Bi-State finally appears to be turning the corner and heading in a new direction.

State mandate law succeeding in saving funds

Governor James R. Thompson announced last week that units of local government in Illinois saved up to \$2 billion during the first half-year of the State Mandates Act.

Administered by the Illinois Department of Commerce and Community Affairs (DCCA), the law became effective Jan. 1, 1981.

It requires any statutory or executive action which imposes additional expenditures on local governments — or removes a local revenue source — to be analyzed for fiscal impact and accompanied by an appropriation to reimburse local governments.

Thompson said DCCA's State Mandates Review Office filed 114 fiscal notes to proposed legislation affecting units of local government during the 1981 legislative session.

Fifty-two mandates were determined to be reimbursable under the Mandates Act, requiring total annual reimbursements of slightly over \$5 billion, or \$2 billion when duplications were excluded. All 52 bills were defeated in the General Assembly.

"The Mandates Act has saved taxpayers' hard earned dollars while strengthening the state's business climate," Thompson said.

"The reduction of mandated bills means that everyone benefits."

"The state has less drain on its treasury."

Local governments have been spared paying for new or expanded programs.

"The citizens of the state are less burdened with potentially higher taxes."

The governor's Commission on State Mandate Programs, co-chaired by DCCA Director John W. Castle and former Lieutenant Governor Dave O'Neal, was established in April 1977 after concerns were expressed by local officials regarding increasing costs resulting from state-mandated programs.

Responsibility for implementing the State Mandates Act is divided between the Illinois Community College Board and the Illinois Office of Education for community colleges and school districts, and the Department of Commerce and Community Affairs for other units of local governments.

The fiscal notation includes an estimate of the cost of implementing the mandate for local governments, and the state reimbursement cost for the first fiscal year of operation.

MEETING SCHEDULED

The Southern Illinois Divorced and Separated Catholics will hold their next meeting Wednesday, Aug. 12, at 7:00 p.m. in Eckhard Hall, St. Boniface Parish, Edwardsville.

Lowell Turner, child psychologist with the Roxana School District will speak on "Effects of Divorce on Children."

Admission is free. All are welcome to attend.

Holding pond poses problem

The drainage problem in the Wilshire-Ivy Lane area has become a major one and its time something is done about it, Mrs. Helen Hawkins, a trustee of the Nameoki Town Board has declared.

Mrs. Hawkins said the holding pond behind Ivy Lane floods almost every time it rains. She said there is no pump to pump the water out, and since the streets are actually lower than the pond, the excess water goes there.

She said the pond needs the following things:

It needs to be pumped out often, keeping it dry.

It needs to be dug deeper to allow water in it before flooding.

A pump or lift station should be installed.

"We pay taxes to use Nameoki Ditch. Now we need to get the water to the ditch," she said.

She said the city owns the sewers that Ivy Lane residents would have to tap onto to get the drainage they need.

Although Everett Steele built the subdivision, the zoning was approved and now "It's really out of his hands."

She said the problem has existed there for about 18 years and nothing has been done about it. "The former board signed contracts just before we took office, to build several mini-parks and a tennis court. We have to have priorities. What's more important? Flooded streets or tennis courts?" she said.

Most of the people there are in a high tax bracket and deserve something for their money," she said.

Mrs. Hawkins added the township really can't act on the holding pond until it's proved to be a health threat. If that was determined, she thought money might be available from state emergency funds.

At last week's meeting, Carl Macious, an Ivy Lane resident, said he feared sewage tanks had leaked into the pond creating a definite health problem. He was to take a sample of the water to the EPA water pollution office in Edwardsville this week.

Mrs. Hawkins wants to amend the budget passed by the lame-duck board. She said the township can't keep up the parks it has now, and really doesn't need any more. She would rather use the money appropriated for the tennis courts and parks and use it for the drainage problems.

"The contractors might bring suit against us since the contractors have already been signed," she said.

That's why she thinks the township is losing residents. They're annexing into the city because we're not providing the service needed, she said.

Park budget \$897,352

The Granite City Park Board of Commissioners approved an appropriation ordinance for the 1981-82 fiscal year of \$897,352, an increase of \$19,630 over the 1980-81 budget of \$877,722.

In action last week during a recessed meeting from the July 22 regular meeting, the board approved the ordinance establishing a working budget for the park district, complying with state law which mandates such action on or before the July 31 deadline.

The largest increase in any one category was \$78,891 in the allocation for corporate purposes, but this difference was significantly offset by a reduction in the allocation for the recreation program and facilities of \$66,195.

A considerable increase in the tort liability insurance allocation has been made in the new budget. An additional \$7,134 or 48 percent has been added in this category for the 1981-82 year.

A modest decrease of \$500 in the contributions to the Illinois Municipal

Retirement Fund and a slight increase of \$300 in the audit expense allocation reflect the only other changes.

A comparison of the budget summary — listing this year's allocations, last year's figures in parentheses and their differences — follows:

Corporate purposes — \$518,375, (\$439,484), up \$78,891; Recreation program and facilities — \$315,393, (\$379,588), down \$66,195; Illinois Municipal Retirement Fund — \$40,500, (\$41,000), down \$500; Tort liability insurance — \$21,894, (\$14,800), up \$7,134; and Audit expenses — \$3,150, (\$2,650), up \$500.

In other business during the recessed meeting, the board was addressed by a representative of the Bankers' Life Insurance Co. He gave a run down of costs for similar coverage to that of the district's present policy with Prudential Life. The board is considering changing insurance companies since it was informed

Development bonds urged by treasurer

State Treasurer Jerry Consentino, Speaking here Friday night, urged farmers and urban officials alike to appeal to their congressmen and members of the House Ways and Means Committee to block changes in the nation's tax laws that would eliminate revenue bonds for low-income and agricultural areas.

The Illinois General Assembly recently enacted a Consentino-drafted bill creating an Illinois Farm Development Authority empowered to issue tax-free revenue bonds to provide low-interest loans to farmers for purchases of land and equipment.

The bill (HB 607) now awaits Gov. James Thompson's signature, but could be rendered meaningless, Consentino said, if the Ways and Means Committee approves a ban on the use of industrial development bonds.

Consentino was in this area to join in a salute to "Senator Sam," State Sen. Sam Vadiabene (D-Edwardsville).

The state treasurer stressed that industrial development bonds and their twins, the agricultural development bonds, are an important tool for this metropolitan area, as Cons. Richard A. Gephardt (D-Mo.) has indicated to Ways and Means in HR 3074.

He said Gephardt's proposal presents "a constructive alternative that would prohibit abuse of industrial revenue bonds, but would keep them as a viable community development tool."

"Gephardt seeks to restrict the bonds' usage for such projects as fast food franchises or bowling alleys, which have drawn criticism across the nation."

Consentino told the audience that after three days of hearings in April, the Ways and Means Committee took no action on the Gephardt alternative and decided to wait until fall for a final decision on the issue.

The speaker said he hears the whole issue could fall victim to the tax cut fight between the president and House Democrats unless strong action on the part of Illinoisans for "rather than abolition" of the industrial development bond concept.

'Special Delivery' draws large crowd

By MICK STRANGE
of the Press-Record

Over 700 persons attended the presentation of the musical "Special Delivery" at the Plantation Theater last week.

What made this a rather unique production, and the first of its kind at the Plantation, was that members and friends of the First Assembly of God Church, 24th Street, and Grand Avenue, put it on.

Dinner music was provided by Jack Jenkins, minister of music, Granite Baptist Church in Granite City.

The production staff consisted of John Clonko, production coordinator; Carolyn Jenkins, director; Allen Oradough, choreographer; Rick Alvares, advertising; Mike and Debbie James, ticket promotion; Glenn Lindsay,

sound engineer, and Carla Canon, make-up.

The Plantation staff handled the lighting.

Helping with the promotion of the show were: Emmanuel Baptist Church, 1800 Pontoon Road, Rev. William M. Mullis pastor; Grandview Baptist Church of St. Louis, the Rev. Ron Moseley pastor; Hill Fellowship of Webster Groves, Mo., the Rev. Hubert Vann pastor; Nashville Assembly of God of Nashville, Ill., the Rev. Bob Mathis pastor; Niedringhaus United Methodist Church, 20th Street and Delmar Avenue, the Rev. Louis Frick pastor, and Second Baptist Church, 2100 Illinois Ave., the Rev. Carl Watkins pastor.

A spokesman said the cast wished to express special thanks to Pastor C. Dale Edwards and the Board of Deacons of the First Assembly of God, The Life Styles Class of the First Assembly, Dayspring Bookstore, Hudson's Jewelry, Zondervan Family Bookstore at Jamestown Mall, members of the "Sharing Group" and the staff of the Plantation Dinner Theater.

The real unsung heroes of the production were the baby sitters during weeks of rehearsal and the night of the performance.

"The New Life Singers" presenting the musical with a Christian theme were: Allen Oradough, Steve Yearly, Kevin Koonz, Dan James, John Pithers, Jr., Carol Farnsworth, Debi Edwards, Carolyn Jenkins, Janine Cooper, Cheri Pettrillo, Debbie Pithers, Barbara Bryan, Monica Dresch and Jerry Pettrillo.

PRINTMAKING TECHNIQUES are discussed by internationally-known artist artist Warrington Collescott (second from right) and three graduate students and their professor at Southern Illinois University at Edwardsville. Involved in a printmaking workshop at SIUE's Wagner Complex are, from the left: Robert R.

Malone, professor of art and design; Jeff Bender, Evansville, Ind.; Marvin Storer, Granite City; and Lise Drost, Miami, Fla. The workshop will be held through Aug. 14. Collescott is a member of the art faculty at the University of Wisconsin-Madison, and his appearance here was made possible by a grant from the Illinois Arts Council.

Former pastor here to speak at 1st Assembly of God church

The Rev. Thomas F. Zimmerman, chief executive of the Assemblies of God, will be the guest speaker at the First Assembly of God Church, 24th Street and Grand Avenue, where he was the pastor from 1939 through 1942. It was announced by the Rev. C. Dale Edwards, current pastor. He will speak at the church at 10:30 a.m. Sunday, Aug. 16.

In addition to his church activities, the Rev. Zimmerman is a member of Rotary International, active in the Boy Scouts of America, holding the Silver Beaver award of the BSA, and is on the board of directors of the United Way and Junior Achievement in Springfield, Mo.

Rev. Zimmerman has been a member of the board of managers of the American Bible Society in New York since 1967.

The Rev. Zimmerman has been general superintendent of the Assemblies of God since 1960.

The Assemblies of God is the largest of the Pentecostal denominations with a worldwide constituency of over 10 million. There are some 9,773 Assemblies of God churches in this country, with over one and a half million members and adherents in 108 countries served by its missionaries number

6,830,170.

The Rev. Zimmerman is president of the Assemblies of God Graduate School, located in the headquarters complex in Springfield. He is chairman of the board of directors of Central Bible College and a member of the board of Evangel College, both in Springfield.

The denomination has 11 accredited colleges and a graduate school in this country and leads all other church groups overseas with 204 Bible training schools.

In addition to his leadership role in the Assemblies of God, the Rev. Zimmerman takes an active part in related organizations. He is past chairman of the Pentecostal Fellowship of North America, which is comprised of 24 Pentecostal church groups in the United States and Canada.

Rev. Zimmerman chaired the international advisory committee of the Pentecostal World Conference for the 1970 meeting in Dallas, Texas, the 1973 meeting in Seoul, Korea, the 1976 meeting in London, England, and the 1979 meeting in Vancouver, B.C., Canada.

He was reelected chairman of the advisory committee for the current three-year term, which will climax with the 13th Pentecostal World Conference in Africa

as possible. Briggs said the board approved the warrants because the funds from this year's taxes weren't expected until November.

Hawkins said the board should start working on a "cure" for the warrants. "If we don't start looking for a way to avoid issuing the warrants, we'll be doing the same thing next year," she said.

—Approved the transfer of \$900 from the office equipment fund to the newly reformed Nameoki Volunteer Police unit. The funds will be used to purchase a police radio and provide fuel for the car. Briggs said the service could start within a week.

—Approved the issuance of \$40,000 in tax anticipation warrants for the road and district. Briggs said the board would try to "hold out" selling the bonds as long as possible.

—Approved the annexation of \$40,000 in tax anticipation warrants for the road and district. Briggs said the board would try to "hold out" selling the bonds as long as possible.

During last week's city council meeting, Alderman Paul Fisk noted, "Even a hard rain blows your picture on the television," and Mayor Paul Schuler agreed that the cable service "has been pretty rough the last few weeks."

Fisk said, "I think they better get their act straightened out or they are going to be out of business in this city."

Schuler then said he will ask for some explanation of why the service is interrupted so frequently by rain.

The council received an \$868 check from the cable

New chief of lottery

Governor James R. Thompson last week named Michael J. Jones, 32, a former Chicago radio marketing executive and current lottery deputy superintendent, to head the Illinois State Lottery. He succeeds Richard W. Carlson as superintendent effective Aug. 1.

Carlson is resigning to work in other areas of state government.

Senate confirmation is required for the position. The salary is \$38,000.

Thompson said, "Under Rick Carlson's direction, the lottery has nearly doubled its annual sales. When he took over in 1977, it had just completed a \$10.5 million year in sales. This past year, the lottery brought in \$214.9 million, with net revenue to the state of \$88.3 million."

"It was also under Carlson's direction that the new daily game was implemented. This highly successful venture is now bringing in an average of \$4 million a week."

The state lottery was created in Illinois on July 30, 1974. Since that time, it has provided more than \$372 million for the state treasury.

Dismissal in stabbing case

An aggravated battery allegation against Edward Gaffney, 51, of 2001 Edison Ave., has been dismissed by Circuit Judge Philip J. Karick, who accepted a motion by the state's attorney. The incident occurred June 4.

Wilson Mitchell of YMCA Room 232 was slashed on the left hand and stabbed in the right side of the abdomen by a man using a hunting knife with a 4 1/2-inch-long blade. The scuffle occurred in a washroom on the second floor of the "Y."

Mitchell had been talking with another man in a hallway at 10:20 p.m., and it was alleged that Gaffney shouted to them to quiet down. The knife followed an exchange of words.

POLICE FOIL BURGLARY

A telephone call by an alert citizen aided the police in foiling an attempted burglary 12:50 p.m. Thursday at the home of Richard Harper, 1682 Third St., Madison. Two negro men were seen at the back of the house, when police were called. Both Madison and Venice police responded. Authorities found the rear door forced, the power unit from a stereo partially off the ground and found a .44 magnum revolver. The would-be burglars apparently were frightened away by the quick response of police.

criticize cable TV interruptions

Officials of Southwestern Cable TV, Inc., will be asked to explain why cable television service fails during all rain storms in the city.

During last week's city council meeting, Alderman Paul Fisk noted, "Even a hard rain blows your picture on the television," and Mayor Paul Schuler agreed that the cable service "has been pretty rough the last few weeks."

Fisk said, "I think they better get their act straightened out or they are going to be out of business in this city."

Schuler then said he will ask for some explanation of why the service is interrupted so frequently by rain.

The council received an \$868 check from the cable

THROUGH THE FILES

Compiled from the pages of the Granite City Press-Record

50 Years Ago

July 28, 1931
Announcement was made today by the Madison Kennel Club management that the sixth season of greyhound racing at the Collinsville road speedway will be inaugurated tomorrow night, with a program of ten events, featured by the inaugural Cup Race over the five-sixteenths mile route. Ten races will be held nightly excepting Sunday. With more than eight hundred canine speedsters kennelled in or near Madison in preparation for the meeting, Racing Secretary A.N. 'Cap' Hayden confidently predicts the coming meeting will be one of the best in the history of the Madison organization.

25 Years Ago

July 30, 1956
Rainfall in the Quad-City area this month already amounts to 9.45 inches with thundershowers predicted for today and tomorrow's weather remaining unpredictable. With the 9.45 inches of precipitation this month, the area's rainfall is several inches above normal for the year with a total of 27.86 inches. July's 9.45 inches of rain is the heaviest precipitation recorded for any one month since the rain gauge was set up at the (Chain of Rocks) locks.

10 Years Ago

Aug. 2, 1971
An agreement by which Granite City and the four townships of the Quad-City area will cooperate in the development of an area-wide sewer system serving residents of the unincorporated portions of Venice, Nameoki and Chouteau night. Although the project was met with some aldermanic reluctance when first presented several months ago, the agreement was approved unanimously by 13 of the council's 14 members present at the special session.

4-year forgery prison sentence

James W. Strenger, 28, has been sentenced to four years in state prison by Circuit Judge Andy Matosian.

A forgery occurred April 2. The East St. Louis man was arrested at the First Granite City National Bank for allegedly attempting to cash a worthless check.

School registration to start in Venice

Registration for Venice High School students begins Thursday, Aug. 6, from 9 a.m. until 3 p.m. in the high school office, it was announced this week by Principal John C. Rush.

Venice pupils will return to classes Tuesday, Aug. 25. Verification of residency in the Venice School District is required of any student enrolling for the first time, Rush stated.

Proof of custody also is required if the student does not live with his parent or a legal guardian. All new students and those entering the 5th and 9th grades must have physical and dental examinations by the opening day of school, the principal stressed.

It is also required that immunization records for all students be presented by the first day of school. Forms for this purpose are available at the high school office.

The elementary school office will re-open Monday, Aug. 10. Parents who are new to the district may enroll their children Wednesday through Friday, Aug. 12 to Aug. 14, from 9 a.m. to 3 p.m.

To be eligible for kindergarten, a child must be at least 5 years old on or before Dec. 31. To enter first grade,

a child must be 6 years old on or before Dec. 31.

Rush said all students new to the district should be enrolled as soon as possible so the schools can make necessary preparations for the fall semester.

Neck injury in auto skid crash

David B. McKinney, 29, of 1717 Moro Ave., sustained a neck injury at 5:10 p.m. last week when the front of his southbound auto collided with the right side of the car of Dennis W. Peacote, 22, of 4100 Pontoon Road.

Peacote, charged with driving without a valid registration, had been northbound in the 1700 block of Madison Avenue when he maneuvered to avoid a white van that pulled into his lane. His car skidded sideways into the southbound traffic area.

364-day term for stereo theft

Larry Rutter, 25, of 2923 Buxton Ave., was sentenced in July by Associate Judge Thomas Hildebrand to serve 364 days in prison for an April 23 petty theft.

The charge was amended from an initial allegation of felony theft.

A box of stereo equipment was taken from two men from the apartment of Pam Gerber at Kirkpatrick Homes. A turntable and speakers were found in nearby bushes, and a receiver remained missing.

RACING BIKE TAKEN

A \$350 racing bicycle was stolen from the garage at the Harry Lane residence, 3224 Willow Ave., it was discovered Thursday afternoon.

Memorials

IN LOVING memory of **BILLIE E. MCKEE SR.** who passed away July 31, 1972. Year number nine has rolled around, since our dad was taken to the promise land. There's not a moment of a day that he's not thought of, because, oh, how dearly was our love. This very sad day will always stay in our minds, for the memories we cherish will never be left behind. Someday we'll meet again, and only the Lord will know when. — Very sadly missed by Mary, Billie, Willard, Jimmy and Norma Jean. 32 3

IN LOVING memory of **ELNA IONE HUNT, Aug. 1, 1975.** From this world of pain and sorrow, to the land of peace and rest, God has taken her, dear loved one, where you have found eternal rest. When her dustless hands were folded, across her pulseless breast, I knew the gates were opened, and mother was at rest. Somewhere on the unseen shore, she watches, beckons and waits for me, when over the river the peaceful reed, the angel of death shall carry us. — Sadly missed by husband, Tom, and daughters, Pat, Carol, and Cindy and Sheila. 32 3

Menees special 'Big Band' guest

Charles B. Menees who has the largest collection of jazz and "big band" records in the world, over 25,000, will be the special guest at the fourth concert of a summer "Big Band" music series Thursday at 7:30 p.m. in Worthen Park, Maryville Road and Parkway Drive.

The concerts are presented free to the public by the Granite City Park District with support from the Music Performance Trust Fund, American Federation of Musicians Local 717.

Drummer-band leader Stan Fornasewski and his "Big Band Machine" will present the concert.

Menees is widely known as a crusader for jazz. He is a jazz writer and teacher, a long time collector of jazz recordings, books and sheet music.

"I'm a jazz propagandist," says Menees. "I have great respect for this music as the art form that it is, and for jazz musicians. Jazz is

CHARLES B. MENEES

America's only original art form, and is of growing value as an expert in the struggle to win global goodwill.

Menees, heard Saturday evenings on KMOX radio, has been a jazz collector since 1930, when, at age 14, he first heard Duke Ellington's original recording of "Three Little Words."

Menees has taught Big Band Era, jazz history and Duke Ellington's music classes at the University of Missouri-St. Louis and Meramec Community College.

The final concert of the season will be in Wilson Park on Thursday, Aug. 13.

NEWSPAPER WORK. Among participants in Southern Illinois University at Carbondale's summer newspaper workshop were Granite City High School South students (from left) Michael Moore, 2616 W. 26th St., Mark Smith, 2921 Wayne Ave., and Robin Campion, 2031 Delmar Ave. They were among students from across Illinois who attended the week-long workshop, which ended July 17. The workshop is sponsored by the SIUC School of Journalism and directed by associate professor W. Manion Rice.

Man run over by car in lot

Run over by an auto shortly before 4 a.m. Saturday in the western parking lot of the Matthews Real Estate Agency, Niedringhaus Avenue near Grand Avenue, James E. McMahon, 59, of 2827 Circle Drive was admitted to St. Elizabeth Medical Center.

He received lacerations to the head, arms, hands and right ankle and abrasions to the chest and arms.

Authorities said McMahon apparently fell asleep on the parking lot.

The van of Ronald C. Rolen, 2125 Illinois Ave., had turned from Grand Avenue to drive through the lot. He stopped after hearing McMahon yell.

The injured man's hat and false teeth were found a few feet from where he lay in a pool of blood. Rolen flagged down a passing police car, and an ambulance was summoned.

The motorist voiced doubt that it was his auto which hit the man.

OBSTRUCTION CHARGE
Susan E. Doss, 17, of 2505 Adams St. was charged Thursday evening with obstructing police by identifying herself as the driver of an auto involved in an earlier collision on 25th Street near the railroad crossing. She was released on \$35 bail. It is alleged she was a passenger but not the driver at the time of the crash.

SIMAPC funds hit by veto

Theodore Mikesell, executive director of Southwestern Illinois Metropolitan Area Planning Commission (SIMAPC), says the Commission will be doubly hurt by loss of about \$92,000, the total amount of the state grant approved by the General Assembly but vetoed by Gov. Jim Thompson.

Thompson also vetoed grants to East-West Gateway Coordinating Council, and the Madison and St. Clair County Economic Opportunity Commissions.

Mikesell said the SIMAPC budget request was already cut to 80 percent of the previous year when submitted. Loss of the state money will also "crimp federal money" because it is part of the matching funds to get federal grants.

"The federal money has been substantially reduced anyway," he said. "Housing and Urban Development is getting 16 or 19 percent less than last year, and the Department of Commerce funding has been made only for a half year instead of the full year."

"There's a whole big question as to how much federal money there will be."

SIMAPC derives a lot of its budget from direct payments from 10 municipalities for specific projects. "Local government money is also in question because of the federal situation," Mikesell said. Asked how much of his budget was affected, Mikesell said "if you count the federal projects which carry over and run to October, you're talking 10 to 12 percent. Taking them out, we're talking about 20 to 21 percent."

COMMENTED
philosophically, "In this transition period, I don't think everybody knows where we're going. Some things that came with

CHARGES BY SHERIFF OFFICE DISMISSED
Associate Judge Thomas Hildebrand has dismissed two counts of aggravated battery related to an occurrence May 30. The charges were filed by the sheriff's office against Gary Caughn, 20, of the 2800 block of Madison Avenue, records show.

He had been sentenced this spring to 364 days in prison for a Nov. 7, 1980, aggravated assault in Madison County. Four-year probation was ordered on a robbery allegation by the sheriff in that case.

APARTMENT LOOTED
Cash totaling \$72, food stamps valued at \$110 and four bottles of prescription drugs worth \$40 were taken from the purse of Connie Sales in a burglary last week at her apartment, 4305 Kirkpatrick Homes.

Aggravated assault by Herzling alleged

Willard B. Herzling, 59, of 1812 August St., Apartment 12, was arrested for aggravated assault at 10:10 p.m. Thursday after police halted an auto in the 2200 block of E. 25th Street. An officer on patrol said the vehicle was moving in a reckless manner, apparently due to two occupants arguing.

Willard Glenn Herzling, Collinsville Rural Route Three, and his father continued arguing about a residence on Hodges Avenue, police alleged.

An officer quoted the elder individual as saying, "Yes, I tried to get him with my knife." A folding knife with a yellow handle and a 3 1/4-inch blade was then confiscated.

Willard Glenn Herzling related that his father's car had blocked his auto in a driveway at the Hodges Avenue home, and that a slashing motion was made with the knife toward his forearm while the arm was resting on a car window.

Two days earlier, at 4:20 p.m. and 9:30 p.m. July 28, police were dispatched to the Hodges Avenue address, the first time to "stand by" and to confer with an attorney, and the second time to remove an individual from the premises.

W. B. Herzling was released on \$102 cash bail at 10:45 p.m. Thursday.

2 SPEAKERS TAKEN
A turntable was broken and a receiver and two speakers worth \$150 were stolen last week from the mobile home of Tim Fisk, 2621 Jordan Ave. Entry was gained by breaking a door screen.

Airman completes munitions course
Airman Christopher R. Andrews, son of Mr. and Mrs. Richard R. Andrews, 261 Tennessee Ave., Granite City, has graduated from the U.S. Air Force munitions maintenance course at Lowry Air Force Base, Colo.

Graduates of the course learned how to inspect, assemble and dispose of explosive munitions, and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Andrews will now serve at Hill Air Force Base, Utah. His wife, Deanne, is the daughter of Mr. and Mrs. Pat Bolling of 2161 Bern Ave., Granite City. He is a 1980 graduate of Granite City High School.

Six years for robbery

Melvin Woolfolk, 23, of 1034 Douglas St., Venice, has been sentenced to serve six years in the Illinois penitentiary for a Feb. 26 Granite City robbery.

Circuit Judge Philip J. Ratrick presided.

A robber knocked Mary Dorch of Harvey Place to the pavement in front of the Kroger store and took her purse containing \$400. It was found empty in a yard in the 1000 block of Logan Street, Venice.

When the robber fled in an auto, a description was relayed by Granite City police and the car was pursued on Biessell Street, West 3rd Street and Franklin Avenue into a Biessell Street alley.

With Madison police behind the fleeing auto, Venice police drove in front of it, using a patrol car to block it from leaving the alley. The driver carried the purse and ran, ignoring two verbal orders to halt and also a warning shot.

Woolfolk was apprehended at the rear of 1034 Douglas by Venice Police Chief Farris Smith. The purse was located a short time later.

Crosses 2 medians at Route 3 curve

Jacob A. "Andy" Hinterser III, 18, of 3707 Fair Oaks Drive was admitted to St. Elizabeth Medical Center after being found injured, lying in a ditch north of his damaged auto at 2:50 a.m. Saturday.

He received head lacerations and left arm abrasions, and recalled his head striking the roof of the car. He was taken to the hospital in an ambulance.

Northbound on Illinois Route Three and turning right to go east on West Pontoon Road, the auto failed to make the curve.

Instead, it traveled across a median, an eastbound lane and a second median, struck a state road sign, crossed into two westbound lanes of West Pontoon Road, and came to a halt facing east near the edge of the road, adjacent to a construction company office.

The motorist apparently was thrown free of the vehicle. The car, damaged about the front, left side and rear, was towed from the scene.

JAIL PROBATION AND RESTITUTION ORDERED

Rufin Petty, 22, of 1024 Calhoun St., Venice, has been ordered to serve 48 days in jail and three years of probation, and to pay \$100 restitution.

A burglary took place in Venice Dec. 12, 1980. Circuit Judge Andy Matosian issued the sentence.

TRESPASSING CHARGE
Robert W. Womack, 22, of 2837 Pershing was arrested at the 2400 block of Nameoki Road last week for allegedly trespassing by looking inside the parked auto of Terry Willis.

AN ORDINANCE MAKING APPROPRIATIONS FOR CORPORATE PURPOSES OF THE CITY OF MADISON, IN THE COUNTY OF MADISON, IN THE STATE OF ILLINOIS, FOR THE FISCAL YEAR BEGINNING MAY 1, 1981 AND ENDING APRIL 30, 1982.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MADISON, MADISON COUNTY, ILLINOIS: SECTION 1: That this Ordinance be, and the same is hereby termed, "An Ordinance Making Appropriations for Corporate Purposes of the City of Madison, in the County of Madison, in the State of Illinois, for the Fiscal Year Beginning May 1, 1981 and Ending April 30, 1982."

SECTION 2: That the following sums of money be and the same are hereby appropriated for corporate purposes of the City of Madison, Illinois, for the objects and purposes herein specified for the fiscal year beginning May 1, 1981 and ending April 30, 1982, said sums to be provided by general tax levy upon all the real property within the corporate limits of the said City of Madison and from revenue obtained from sources other than taxation.

SECTION 3: That the appropriation herein of amounts for the payment of unpaid bills or contract liabilities shall not be construed as an approval of any of the said bills or contract liabilities by the City Council, but shall be deemed only as a provision by the City Council for a fund for the payment thereof when the said bills have been found to be legal and valid obligations against the City of Madison and have been properly vouchered, audited and approved, or when said contracts have been approved and authorized, by the City Council.

SECTION 4: That the salaries and wages for all City Officers, except those who are elected for a definite term, and all employees of the city of Madison, Illinois, shall not be set by the amounts in this Appropriation Ordinance but by separate resolution or ordinance and in no event shall said salaries or wages exceed those provided for in this Appropriation Ordinance for the respective positions.

SECTION 5: That the items appropriated and the objects and purposes of the same are as follows:

(All figures appearing in this Appropriations Ordinance are rounded to whole dollar amounts.)

DALE GEORGEFF, City Clerk
No. 74 33 8 3

NOTICE
Madison County Housing Authority is accepting sealed bids for the purchase of two 1981 automobiles with one trade-in:

The trade-in is a 1977 Chevrolet Impala; 6 cylinder engine, no air conditioning and has approximately 44,500 miles. This car will be available for inspection by appointment at the Housing Authority Central Office.

The new automobiles shall be equivalent to the four (4) door sedan model of the Chrysler K, Car, Chevy Citation or Buick Skylark and all equipment must be factory installed: automatic transmission, four (4) cylinder engine, power windows, power brakes, glass belted radial white wall tires, am radio, tinted glass, body side moldings, factory installed air conditioning and undercoating.

Bidders are requested to submit a separate bid for two new automobiles as specified above with trade-in.

Bids will be accepted until 4:00 p.m., August 13, 1981, at the Madison County Housing Authority Central Office, 1609 Olive Street, Collinsville, Illinois, telephone (618) 345-5142.

Madison County Housing Authority reserves the right to reject any or all bids or waive any informalities in the bidding.

NOTICE OF SALE
In The Circuit Court
Of The
Third Judicial Circuit
Madison County, Illinois
FEDERAL NATIONAL MORTGAGE ASSOCIATION, a corporation, Plaintiff,
vs.
CHARLES AUGUST WESBROOK, JR., et al., Defendant(s).
No. 81-CH-136
Under and by virtue of the decree of said Court, made and entered in the above action on the 13th day of July, 1981 an Associate Judge, as an officer of the Court, will on the 24th day of August, 1981, at the hour of 11:00 a.m. in Courtroom No. 4 of the Court House in Edwardsville, County of Madison, Illinois, sell at public auction, to the highest and best bidder, for cash, the following described real estate, to-wit:

Lot 3 in Block 1 in Kensington Place, a subdivision according to the plat thereof recorded in Plat Book 7 at Page 27, in Madison County, Illinois.

Said sale to commence at 11:00 a.m. on the 24th day of August, 1981.

Terms of Sale: CASH. A sale will give to the purchaser or purchasers a certificate in writing, describing the lands and tenements purchased and the sum paid therefor, and at the expiration of twelve (12) months from May 26, 1981, or six months from the date of sale, hereinafter specified, whichever is later, the holder thereof will be entitled to a deed for said premises unless redeemed according to law.

Dated at Edwardsville, Illinois, this 13th day of July, 1981.

News notes

Gov. James R. Thompson has signed a "truth in taxation" law requiring local governments to give citizens information on levy amounts and purposes involved in property tax hikes. Public hearings are to be held at regular meetings when more than 5 percent is being added to tax levies.

+++
Promoters and SIUE officials have not discussed the future of the Mississippi River Festival since May 21, when they agreed to cancel this summer's MRF concert series. Improvement of the concert site is sought but no funds have been allocated by either party.

+++
Acceleration of this summer's real estate tax billing will be the topic of a meeting at 11 a.m. Thursday (Aug. 6) at the county treasurer's office. The meeting will discuss the county clerk, data processing officer and Madison County Board of Supervisors' committee. Numerous assessment complaints and hearings have delayed the yearly tax preparation cycle.

+++
The Illinois Geological Survey said Thursday a major breakthrough in cleaning up this state's coal could triple the coal's value and help the environment. Geologists have developed a process to remove 90 percent of sulfur pollutants.

+++
The Alton Telegraph newspaper last week appealed a \$9.2 million libel judgment awarded June 3, 1980, by a Third Circuit jury. The 5½-week trial took place in Granite City. The appeal brief was filed with the Fifth Appellate District in Mount Vernon, asking that the verdict be reversed.

Mitchell and Madison area road projects

The Illinois Department of Transportation has awarded road improvement contracts valued at \$31 million for projects throughout the state, including a \$25.82 contract with C. D. Peters Construction Co., Granite City.

Peters will furnish and install traffic control signals at the intersection of Illinois Route 203 and Harrison Street in the Madison area. The work will include channelization of the intersection and a concrete base course, widening, and resurfacing.

Macclair Asphalt Co., Edwardsville, will work on 2.6 miles of Interstate 270 from east of Ill. Route 159 near Glen Carbon to a point east of Interstate 55 northwest of Troy. Resurfacing and shoulder upgrading are scheduled at a cost of \$2,400,000.

For \$243,382, Macclair also will construct bi-directional left turn lanes with base course and resurfacing on Glen Carbon Road to Goshen Road at the south edge of Edwardsville.

Macclair will resurface 1.97 miles of old U. S. 40 from Ill. Route 4 to east of St. Jacob for \$103,063.

And for \$19,819 Macclair will resurface 0.19 mile of eastbound Interstate 270 lanes at the Ill. Route 111 interchange northeast of Granite City.

Curve reconstruction costing \$154,017 will be done for a distance of 0.13 mile on Chain of Rocks Road north of the Interstate 270 and Ill. Route 203 interchange west of Mitchell.

Macclair will be spraying planned on 89 miles of various routes in Madison and St. Clair counties. The \$29.15 contract went to Chem-Trol Chemical Co., Gibsonburg, Ohio.

YOUTHS SOUGHT FOR BURGLARY OF GARAGE

Two youths aged 17-22 are being sought for stealing a motorized grinder, a radio, and a black and white television set with 12-inch screen at 4:10 a.m. Saturday from the garage at the home of Alfred Frit, 2239 Missouri Ave. The grinder was a wooden toolbox after being challenged by residents of the area.

The grinder was six feet tall, weighing 200 pounds, and the other was thin with a small build and long, dark hair.

 ㉘ THINK ABOUT TOMORROW

By ALAN L. GANSBERG

HOLLYWOOD — In "Urban Cowboy," SCOTT GLENN played a brawling rival to JOHN TRAVOLTA, all Texas and all macho. But in his upcoming film "The Equals," Scott had to learn an entirely different kind of fighting: aikido, the ancient Japanese martial art in which one blocks an opponent's blows and uses an antagonist's momentum against him.

Scott's character is an American drifter who is

drawn into a private war in Japan, and who becomes adept at aikido through the course of the story. Since director JOHN FRANKENHEIMER demands absolute technical accuracy in his films, Scott had to study and study hard.

Reports are that he's now fighting and rolling like a master and Scott insists he'll keep up the discipline when he settles back into life in Southern California. Who knows? It can come in handy during all those traffic jams on the Hollywood freeways. And it sure beats the mechanical bull.

PATTY DUKE ASTIN has been outspoken in her attacks on what life as a child actress did to her life, so it took the community by surprise when she elected to allow son SEAN ASTIN to appear with her in "Please Don't Hit Me, Mom," an ABC after-school special being produced by NORMAN LEAR'S TV factory.

What changed her mind? For starters, she's had a chance to work with some of the leading child stars of today — including MELISSA GILBERT — and she's changed her tune about working kids. Just because her childhood experiences were rotten — and she's used that word to describe them — doesn't mean it will be the same way for Sean. Sean is very willing to be corrupted. The child of both Patty and JOHN ASTIN loves the cameras as much as his folks do.

A CBS executive once snorted that if GREGORY HARRISON takes his shirt off during the first three minutes of a "Trapper John, M.D." episode the ratings soar, and if he doesn't, they slip. Well, Gregory decided to cash in on his pectoral muscles in "For Ladies Only," an NBC movie about male strippers.

But those who have seen the work print say Greg's in for some competition in the heartthrob department. One woman said that it is MARC SINGER (remember him from "Roots: The Next Generation") who is "hot." "He's

got a body that just won't quit," the blushing source said. "The ladies will die."

When MARILYN COOPER won a best-supporting actress Tony for her performance in "Woman of the Year," most of America no doubt looked at each other and shrugged. Marilyn

would be the first to admit she's not well-known outside of Broadway. That could change. Warner Bros.-TV has decided that pert little Marilyn, a hooper from way back, is what America has been waiting for and has MADELYN DAVIS and BOB CARROLL, JR. preparing a secret project for her. Madelyn and Bob do know funny ladies, having written for LUCILLE BALL for too many years to count.

Carpet Cleaning—
Call 931-0420

Look before you reap.

There are many good ways to make your money work for you. And some not so good. So don't leap into anything without taking a long, hard look. Especially if you have no savings in reserve. And if you don't have enough savings, look into U.S. Savings Bonds. Because Bonds do make sense. They guarantee the interest. They're guaranteed against loss, fire, and theft. And the Payroll Savings Plan is a sure, easy way to guarantee savings. Federal income tax may be deferred and there's no state or local income tax. A little is set aside each payday for U.S. Savings Bonds. Your savings will grow until you're ready to reap the rewards of regular saving.

Saving is one of the most important financial decisions you'll ever make.

Take stock in America.

When you put part of your savings into U.S. Savings Bonds you're helping to build a brighter future for your country and for yourself.

Bill Moyers — TV's top interviewer

By DON FREEMAN

HOLLYWOOD — On the subject of television performance, Bill Moyers has observed: "If you set out to teach, you will fail. If you set out to communicate, you will succeed."

Wise words, those, and typical of this product of east Texas by way of Oklahoma, a down-home fellow whose roots remain apparent in the way he says "narra" for "narrow" and "Worsh-ington" for "Washington."

Bill Moyers — and Bill, not William, was the name bestowed on him — will be rejoining CBS later this year, which is great for CBS and not so good for PBS.

Public television has been considerably enriched by Moyers these last few years. Actually, he first entered TV by way of a PBS series. This was after he was Lyndon Johnson's special assistant at the White House and then press secretary. Later, Moyers was publisher of the Long Island newspaper, Newsday, a powerhouse in the field.

Moyers' long friendship with President Johnson was severed in 1967, with some recriminations. One time I listened to Moyers as he recalled the circumstances, warmly but ruefully.

"LBJ never quite forgave me," Moyers remembered than, "for, among other things, not going back to Texas. He thought television was, well, lightweight. He wondered what's a good old boy, meaning me, doing in the wicked environment of TV?"

"I can see him now," Moyers said, rising and assuming a towering Lyndon Johnson pose, with obvious affection for his fellow Texan's mannerisms. "LBJ would say to me, 'Power is what counts, power to change things. You get power through politics and through money. You hear me, boy?'"

"LBJ," said Moyers, in wistful tones, "never understood television. He always wanted to reach out and grab the camera. LBJ knew television was important but

he never really understood why."

Moyers most assuredly does understand this curious medium and, it is obvious, his own well-staked-out role in it. When he originally ventured from public television to CBS, Moyers delighted in reaching a wider audience. But disillusion set in.

In time, Moyers worked up a bill of particulars. Once, he wanted to interview Zbigniew Brzezinski, foreign affairs adviser to Jimmy Carter. CBS wouldn't give him the hour. The network, furthermore, was capricious about scheduling the Moyers programs, which were never guaranteed a prime-time slot.

The network wanted him to stay and they offered him a role on "60 Minutes," which Moyers rejected. "It's not my kind of reporting," Moyers said about this. "It's faster paced than I'd like. The heroes of '60 Minutes' are the correspondents but it's still a producer's show. I'm basically an editor — I loved being the publisher of Newsday — but I don't like being edited my self."

When Moyers elected to jump ship, he received a two page letter from Eric Sevareid, urging him to reconsider. And then when Sevareid was pressed into retirement (on a company age policy which has since been altered), the job was offered to Moyers. But Moyers wanted to be a reporter, not a commentator and one minute and 45 seconds of air time three times a week was hardly enough.

And besides, as Moyers noted: "I wasn't Eric Sevareid. He may be the only man who was."

Returning to PBS, Moyers

promptly won a Peabody Award for his "Bill Moyers Journal" and he also won great critical acclaim and a dedicated following. Moyers is quite simply, the most gifted interviewer on television, a journalist of surpassing intelligence and a man who listens creatively. His conversational rhythms always coincide with the person he is interviewing. He is never disruptive. He leads and he also follows. He shapes the atmosphere and the flow.

And he is particularly good in interviewing men with a similar interest in the written word. His interview with John Graves, a Texas writer known as "The Head Varmint of Hard Scrabble," clings to memory. And there was a gripping Moyers interview with Phil Caputo, the Marine lieutenant from suburban Chicago who fought in Vietnam and then wrote of it in "A Rumor of War."

Most recently, Moyers devoted an hours interview to that dazzling man of many words, George Steiner, who, among his accomplishments, is the principal literary critic for The New Yorker. Moyers is never awed but I think he was impressed. Steiner, for one thing, was disarmingly self-effacing as to craft.

"To the proverbial visitor from Mars," said Moyers, "how would you describe your work as a literary critic?"

"I would first of all try to warn him to go and see the great writers," Steiner said. "If his trip were a short one, I'd say, 'Please don't waste too much time on critics.' ... All of us now are reading reviews rather than books, myself included."
